Ordinance No. 1080. An ordinance for the protection of public sewers, and to provide for the number of making connections therewith and to compel all persons erecting or maintaining privies or cesspools within one hundred feet in which a sewer has been or may be hereafter constructed to connect the same therewith. The City of Astoria does ordain as follows: Section 1. No person or persons shall, within the corporate limits of the City of Astoria, erect or maintain or suffer to be erected or maintained upon any premises owned by him, her or them any privy or cesspool within one hundred feet in that portion of the town, now City of Astoria as laid out and recorded by John McClure as extended by Cyrus Olney and one hundred and fifty feet in the town, now City of Astoria as laid out and recorded by J. M. Shively, of any street in which a sewer has been or may hereafter be constructed, without causing such privy or cesspool to be connected with such sewer in the manner provided by this ordinance.

Section 2. All persons erecting or maintaining any privy or cesspool within the corporate limits of the City of Astoria, who have made the connection required in section one of this ordinance shall keep the said connections free and clear of and from all obstructions and in good order and condition so as to properly drain any such privy or cesspool. Section 3. It shall be unlawful for any person or persons to make connections with or in any manner obstruct or interfere with any public sewer or drain pipe, except as hereinafter provided. Section 4. Any person or persons desiring to make connections with any public sewer or drain pipe shall make written application for a permit therefor, specifying therein the location, area to be drained, and whether for house drainage or otherwise. Section 5. The officers constituting the street department are hereby authorized to grant permits for such connections, subject to such restrictions as to size of pipes, traps, and the manner of doing the same as may be deemed necessary and proper; provided, that no connection shall be made [except within the line of the lot or block] with other than terra cotta pipe or some other material not subject to injury from the use of acids or other deleterious substances. And further provided: that the parties making such connections shall cause that portion of the street disturbed to be placed in good condition. Section 6. Security by deposit or otherwise may be required of such applicant against loss or damage resulting from carelessness, improper work or material, or failure to comply with the terms of the permit. Section 7. A violation of any of the provisions of this ordinance shall be deemed a misdemeanor, and upon conviction before the Police Judge, the offender or offenders shall be punished by a fine of not less than five nor more than one hundred dollars, or by imprisonment in the city jail not less than three nor more than twenty days. Passed the Common Council, April 23rd, 1889. Attest: T. S. JEWETT, Auditor and Police Judge. Approved April 24th, 1889. CHAS. H. PAGE, Mayor.
