Fishing at the Cascades.

The amount of fish caught at the Cascades this year has been very small, as compared with other years, on account of the low stage of the water. The *Oregonian* says there has been considerable quarreling and ill feeling between the proprietors of wheels and gill nets. A number of persons have been fishing with nets and setting them below the wheels. The land along both sides of the rapids, except the government reserve at the locks, is owned by the O. R. & N. Co., and the wheel men have leased the right to fish. The gill net men are looked upon as tresspassers, and cannot use the shore, so they anchor their nets a short distance from the land.

Mr. Williams, who has a wheel, took by force and carried away several nets which were set below his wheel in a slough or side channel. He was arrested and bound over at The Dalles to appear at the fall term of court. There is a dispute as to whether the slough is a part of the river or not, one side claiming that it is, and was not included in the survey, but merely meandered, while the other side claims that it is included in the company's property.

Two men who said they were deputy sheriffs, but did not show their authority, took some nets and a boat belonging to a fisherman, and were going off with them, when the owner leveled a rifle and made them bring his property back. He said they did not turn any too soon, for he was within one beat of his heart of pulling the trigger.

The fish caught at the Cascades this season are hardly worth quarreling about.

Ayer's Ague Cure is warranted to cure all malarial disorders, when taken according to directions. Sold by all dealers in medicine.

An experimental train on a railroad in Pennsylvania made a run of ninety odd miles in about sixty minutes, some of the distance being run at the rate of nearly two miles per minute.

HAPPINESS AND CONTENTMENT

Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Acker's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Conn, Druggist.

The aged empress of Germany and the sultan of Turkey were the only two royal personages who personally contributed to the relief of the Johnstown sufferers.

WE CAN AND DO

Guarantee Acker's Blood Elixir for it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, Ulcers, Eruptions and Pimples. It purifies the whole system and thoroughly builds up the constitution. J. W. Conn, Druggist.

And unless a remonstrance signed by the owners of two-thirds of the property fronting on said portion of said street be filed with the Auditor and Police Judge within ten days of the final publication of this notice, to wit: on or before Monday, July 22nd, 1889, the Common Council will order said improvement to be made.

A Perfect Laxative

should be mild, prompt, and pleasant, with no griping or purgative effects. It should also incite the liver to action, aid digestion, and relieve the kidneys. Like nothing else, Paine's Celery Compound is a perfect laxative, and cures constipation where all other remedies fail.

"As a gentle laxative, Paine's Celery Compound is surely without a peer. I think I ought to know, since I have tried remedy after remedy for about five or six years and have found nothing that equals it in my case of costiveness." J. B. JENKINS, Teacher, Cloyd's Creek, Tenn.

"Paine's Celery Compound is prompt and pleasant. As a laxative it leaves little to be desired. I have great confidence in its merits." ALBERT LEONARD, *Associate Editor, Journal of Pedagogy*, Athens, Ohio.

"For two or three years I suffered intensely every night with severe pains in my bowels, which were habitually constipated. My bowels are now regular, and I have had no return of those pains since using one bottle of
