Straw hats. And Ice Cream. Look out For Fire. The steamer Idaho sailed for Alaska and way ports last evening.

The schooner Hayes lumber laden for San Francisco sailed yesterday.

The steamer Canby will leave at 7 o'clock to-morrow morning instead of 8, the usual time.

Money is said to be "tight," some not having enough to lend nineteen dollars on a 20 dollar gold piece.

All the firemen are requested to meet at their respective headquarters at 9:30 to-morrow morning in full uniform to take part in the parade.

Yesterday the postoffice in this city was advanced to the dignity of a second-class office, with all the emblems and appurtenances thereunto belonging.

Judge Elliott yesterday sold 100 feet square, of lots 7 and 8, blk 114, Shively's Astoria to Mrs. P. L. Cherry, for \$4,000. Eight lots in Long Branch were sold for \$300.

Robb & Parker have several fine pieces of property for sale at very advantageous figures. Get in while you have a chance. They will aid you in making money for yourself.

A detachment of one non-commissioned officer and four men will be sent up by Major Jno. Egan from Ft. Canby to-day to take charge of the firing of salutes to-morrow.

The cars of the I. R. & N. Co. railway ran off the track yesterday on the way to Nacotah capsizing them, and stranding lumber along the line for a considerable distance; damages slight.

Says the Pacific Journal: Of the 200 pound nets in Baker's bay probably one-half of them have made an average catch so far this season. Quite a number have done so poorly as to be compelled to suspend operations.

David Graham, a well-known resident of this section, was drowned at Gray's River last Sunday from a log. The body was recovered yesterday. Deceased leaves numerous friends and relatives on both sides of the river who regret his untimely taking off.

Quite a crowd gathered in front of the vacant lot east of the city hall yesterday afternoon to see several boys practice walking on the tight rope. After several trials and wettings two of the boys succeeded in walking across. There's \$25 for somebody in the trick to-morrow.

Word comes from Karluk that the Alaska Commercial company will take out their dam at that place. That will be rough on the other seven canning companies there who expected to put up salmon, and who relied mainly on that dam. The Alaska Commercial don't care a continental.

Some time ago two men came ashore here from the bark Earl of Dunroven claiming that they had been shanghaied on board at Portland by Bunke Kelly. That worthy, fearing probably that he will lose his fee, has had constable Welch and Peter Grant arrested for alleged removal of the men from the vessel on their arrival here. The charge is a trumped-up one, the whole thing being simply a fight between Bunke Kelly and Jim Turk. Messrs. Welch and Grant go to Portland this morning.

"What is the most money ever made by a tug in one trip?" was asked by a New York Sun man of an old tugman in South street. "The very largest money ever obtained was when two tugs picked up a derelict off Sandy Hook. She was in good condition, but had been abandoned by her crew who were panic stricken. She was drifting ashore, and the courts allowed a salvage of \$28,000 for the two, or \$14,000 for a day's work each. But that wasn't a towing job. The biggest price ever paid by a ship for towing at this port, so far as I know, was when a ship captain had bent his way up to the light-ship after a long winter voyage from Manila. Reaching this point, with the harbor before him, the northwest wind became a gale he could not face, and he saw the shores of Staten island fade and began to think he had Bermuda hard aboard. He couldn't stand that prospect and was compelled to pay \$1,500 by a heartless tug captain of about my size and disposition."

COMMON COUNCIL PROCEEDINGS.

In the council yesterday evening, the last rays of the setting sun were reflected from the windows across the way on the backs of councilmen Bergman, Cleveland, Elton, Robb, Welch and Fox. The noisy church bells drowned the deep bass voice of auditor and police judge Jewett as he read the minutes of the previous meeting in response to the announcement of the chairman.

After the reading of the aforesaid minutes a petition from J. B. Martin, for a retail liquor license was granted. A franchise was asked to build cable cars on sundry streets by Chas. S. Wright, F. D. Winton, Robt Caruthers and S. E. Harris: referred to street committee.

A petition for grade of street crossing was referred to street committee. A communication from chief of police Barry submitting the following names for special policemen on July Fourth, was read and acted upon affirmatively; and the chief authorized to make the appointment.

A. McCroskey, P. Kearney, Andrew Ukkula, Jno. Eskala, L. Larsen, M. Olsen, Jas. Tatten, V. Buyras, M. Moorya, W. E. Ross, H. G. Smith, Robt Lanfare.

On motion of councilmen Welch three of the above were put on immediately to serve till after the Fourth.

The committee on public property reported regarding the painting of city hall and bell tower, and recommended that a warrant be drawn for \$214 in favor of C. H. Stockton for the work.

The report of city treasurer Hustler for the quarter ending June 30th, 1889, was read and referred to committee.

The report of street superintendent for May was read and referred.

Ordinances providing for sewers on Washington and Main streets were read first and second times; the Washington street sewer ordinance was passed under suspension of the rules.

An ordinance declaring the probable cost of improving West Sixth street from Water street to Cedar street, was read first and second times and referred to street committee to report at next meeting.

An ordinance making appropriation of \$214 for the benefit of C. H. Stockton, was passed under suspension of the rules.

The following claims were ordered paid: Astoria Iron Works, \$13.30; Wilson & Fisher, \$10; Sundry Persons, \$110.40; Wilson & Fisher, \$20.59; Electric Light Co., \$176; Sunset Telephone Co., \$3 Astoria Gaslight Co., \$108.60; \$15.05; Astor House, \$20.83; L. Martin, \$7.50.

The street lighting ordinance was postponed to the next meeting. A motion that the city attorney investigate the manner of constructing sewers in the city, was passed.

Adjourned.

Drowned in Gray's River.

GRAY'S RIVER, July 1, '89. EDITOR ASTORIAN: A sad case of drowning happened here yesterday. Mr. David Graham lost his life. He was running logs down Gray's river. The logs became jammed and in trying to break the jam he accidentally fell off a log.

He never came to the surface, but was seen by Mr. McGregor and Mr. Lamb, his partner, to struggle as if trying to swim, but for a moment only, when he was swept down and out of sight.

The alarm was given and the neighbors collected and searched for the body until dark.

Early this Monday morning about forty men collected and searched for the body, dragging the river and hauling out large snags and old tree tops, but in vain. All day the men worked until 6 o'clock, when the weary men gave up for the day, but early to-morrow the search will be continued.

Mr. Graham leaves a wife and one child to mourn his loss, beside a large circle of friends. S. WALKER. [The body was recovered yesterday morning.]

Sad Termination of a Ride.

The dreadful accident on the beach near West's place, reported in yesterday's ASTORIAN had a tragic sequel, one of the victims of the occurrence dying at one o'clock yesterday morning.

It appears that Monday afternoon, Mrs. Lizzie Wirt, aged 24, and her mother-in-law, Mrs. Susan Wirt, went riding along the beach in a two-horse buckboard.

Later in the afternoon the attention of some men working, was attracted by the horses who ran along with the empty buckboard, and entangled themselves in a fence.

The tracks were followed and some distance on almost submerged by the incoming tide, were found the prostrate forms of the two ladies. They were at once carried home and surgical aid summoned from this city.

A gash on Mrs. Lizzy Wirt's forehead was all the mark to be seen on either of them. She was unconscious; Mrs. Susan Wirt partially so. The old lady was unable to give any account whatever of the occurrence; her daughter-in-law never recovered consciousness but passed away at one o'clock yesterday morning, appearing to have sustained concussion of the brain. Mrs. Susan Wirt, it is thought, will live.

The tragic occurrence has occasioned universal regret in the neighborhood, where both ladies were old and respected residents.

It is supposed that the horses ran away, throwing the occupants on the buckboard out, that being the most probable cause of the unfortunate occurrence.

In Love With His Wife.

"What can I do to regain my husband's love?" writes Mrs. Carrie R., of Toronto. She adds that seven years ago she was married to the most happy auspices, and, until six months since, happiness crowned her domestic life; then her husband became distant in his manner toward her until now he is positively cold to her. He gives no details, but if she is afflicted with diseases peculiar to women, if her cheeks have lost their bloom and her eyes their sparkle, it may explain the cause of her complaint. In this event, Dr. Pierce's Favorite Prescription will effect a radical change and restore her to health. As a powerful invigorating tonic, Dr. Pierce's Favorite Prescription imparts strength to the whole system, and to the womb and its appendages, in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, "Favorite Prescription" is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

Fourth of July, 1879.

All the way from Baker City, Carl Adler sends Carl Astorian an interesting item in the shape of all the vouchers, contributions, expenses, etc., of the celebration of the Fourth of July in this city in 1879—ten years ago. The entire business foots up \$128.20; \$141.25 was collected, about one tenth of what was collected for to-morrow's celebration.

A WOMAN'S WAY.

A startling Business Proposition. When Mrs. Fowler, of 227 Ellis street stopped in at a leading city druggist's to ask what effect Joy's Vegetable Sarsaparilla, would have in dyspepsia and sick headaches, she was assured it would relieve both. She was so incredulous that the druggist gave her a bottle, not to be paid for unless it cured. The following is the convincing conclusion: SAN FRANCISCO, Feby. 8, 1888.

DEAR SIR: Notwithstanding my misgivings, Joy's Vegetable Sarsaparilla did all that you promised. I had tried so many prescriptions that I had come to believe nothing would relieve my dyspepsia and sick headaches, but I have not had a return of either since. You have my permission to make this public, for a remedy that will cure dyspepsia and prevent sick headaches should be generally known. Respectfully,

Mrs. M. Fowler, 227 Ellis street.

ITCHING AGONIES.

Every Night I Scratched Until the Skin was Raw.

Body covered with scales like spots of mortar. An awful Spectacle. Doctors useless. Cure hopeless. Entirely cured by the Cuticura Remedies in five weeks.

I am going to tell you of the extraordinary change your CUTICURA Remedies performed on me. About the 1st of April last, I noticed some red pimples like coming out all over my body, but thought nothing of it until some time later on, when it began to look like spots of mortar spotted on, and which came off in layers, accompanied with itching. I would scratch every night until I was raw, then the next night the scales, being formed meanwhile, were scratched off again. In vain did I consult all the doctors in the country, but without success. After giving up all hopes of recovery, I happened to see an advertisement in the newspaper about your CUTICURA Remedies, and purchased them from my druggist, and obtained almost immediate relief. I began to notice that the scaly eruptions gradually dropped off and disappeared one by one, and have been fully cured. I had the disease thirteen months before I began taking the CUTICURA Remedies, and in four or five weeks was entirely cured. My disease was eczema and psoriasis. I recommended the CUTICURA Remedies to all in my vicinity, and I know of a great many who have taken them, and thank me for the knowledge of them, especially mothers who have babies with scaly eruptions on their heads and bodies. I cannot express in words the thanks to you for what the CUTICURA Remedies have been to me. My body was covered with scales, and I was an awful spectacle to behold. Now my skin is as nice and clear as a baby's. GEO. COTLEY, Merrill, Wis. Sept. 21, 1887. Feb. 7, 1888.—No trace of the disease from which I suffered has shown itself since my cure. G. C.
