A Gun Fence.
It is common to hear about "a solid wall of bayonets" in war time, but at the barracks is a veritable wall of them now. When the late war was declared of the Union government found itself in possession of a vast number of muskets, useless, because there was nobody to be shot with them. They were stored up for a while in various arsenals, until radical improvements made them utterly worthless. And when an old gun gets worthless it is the most intensively worthless thing extant. So these guns that cost millions were not worth paying rent for storing. At this place a fence was built with them. The gun barrels, with bayonets fixed, were stood up four inches apart for a quarter of a mile, and then secured with holes pierced to admit the old muskets. It is the most formidable fence I ever saw. The bayonets, which in many instances have given death wounds, are rusted now until they could not be removed from the barrels. The posts of this unique old fence are of old cannon.—St. Louis Globe-Democrat.

In the state of Illinois it is said that nearly 8,000,000 acres of farming lands are encumbered, the mortgages aggregating the enormous sum of \$124,000,000. Michigan, a state not near so wealthy as Illinois, has mortgages on her farm lands aggregating over \$130,000,000, and we are told that taking the state as a whole, one-half of the farms are mortgaged, and in some portions fully three-fourths. Such figures are terribly significant. What a sickening story they tell of ill-paid labor, of pinching economy, of actual want! And yet there are sections of the country worse off by far than Illinois and Michigan—not one, but many—some of them where not only does the mortgage rest upon the farm, but the crop is usually pledged long in advance of the harvest.

A Perfect Laxative
should be mild, prompt, and pleasant, with no griping or purgative effects. It should also incite the liver to action, aid digestion, and relieve the kidneys. Like nothing else, Paine's Celery Compound is a perfect Laxative, and cures constipation where all other remedies fail.
"As a gentle laxative, Paine's Celery Compound is surely without a peer. I think I ought to know, since I have tried remedy after remedy for about five or six years and have found nothing that equals it in my case of constipation." J. B. JENNINGS, Teacher, Clayo's Creek, Va.
Paine's Celery Compound is prompt and pleasant. As a laxative it leaves little to be desired. I have great confidence in its merits." ALBERT LEONARD, Associate Editor, Journal of Podology, Athens, Ohio.
"For two or three years I suffered intensely every night with severe pains in my bowels, which were habitually constipated. My bowels are now regular, and I have had no return of these pains since using one bottle of Paine's Celery Compound."
F. G. STICKNEY, Druggist, Havana, Ala.
Special: The Paine's Celery Compound and stop rubbing the intestinal tract with harsh purgative pills. Price, Six for \$5.00. Druggists, WILLS, RICHARDSON & CO., Burlington, Vt.

Guarantee Acker's Blood Blixir for the people has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, Uleers, Eruptions and Pimples. It purifies the whole system and throughly builds up the constitution. J. W. Conn, Druggist.

In a sixteen-page love letter exhibited in court in Providence the other day the word "darling" occurred thirty-seven times, and yet the girl in the case said it was a "cold unfeeling epistle."

A DUTY TO YOURSELF.
It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easily taken and do not gripe. J. W. Conn, Druggist.

Look out for your rubber boots. A Yale sophomore is very seriously ill in New Haven, his blood having been poisoned by the aniline dyes of the lining of his rubber boots.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.

Suicide.
DR. FLINT'S REMEDY has saved more lives by timely use, and has kept from suicide or the insane asylum more victims of nervous disorders than all the physicians with their pet methods of treatment. Descriptive treatise with each bottle; or, address Mack Drug Co., N. Y.

The Union Pacific road offers \$2,000 cash to any passenger on any train that will shoot a train-robber, and several parties are making frequent trips in hopes to get a shot.

GUARD AGAINST THE STRIKE.
And always have a bottle of Acker's English Remedy in the house. You cannot tell how soon Croup may strike your little one, or a cold or cough may fasten itself upon you. One dose is a preventive and a few doses a positive cure. All Throat and Lung troubles yield to its treatment. A sample bottle is given you free and the Remedy guaranteed by J. W. Conn, Druggist.

In British Columbia board is from \$8 to \$10 per week. It is a dollar a month in Ohio.

A CHILD KILLED.
Another child killed by the use of opiates given in the form of Soothing syrup. Why mother give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no Opium or Morphine. Sold by J. W. Conn, Druggist.
