Beginning to Worry the Mossbacks. It has sometimes been a question in our mind whether a railroad running through this county to Astoria will not be a detriment to us. It seems a ridiculous thing to assert especially when every community in the United States is howling for a railroad and jubilant when a railroad is even talked of. But we are peculiarly situated. Delay the railroad a few years and the government will make Tillamook buy a harbor for deep water vessels, and all our timber will be saved here producing a great income to us. We would have a possibility with Yaquina of being ourselves a terminal point of a transcontinental railroad which would be something worth while. Let the railroad be put through now and we come to be a flag station, the same as North Yamhill is. Of course the Headlight would rather see the glare of another headlight if it did go to Astoria than take any chances on the future. - Tillamook, Headlight, 5.

A Cheyenne clergyman, the Rev. R. E. Field, lectures on the subject, "After marriage, What?" Sometimes his poverty Mr. Field, occasionally divorce, but more frequently pargery and soothing syrup, crump, mumps and measles. Indeed, there are ever so many things after marriage - numerous old maids, for instance. S. M. Graham, of Marshland, Columbia county, raised a crop of hay which cut 6 tons to the acre. The Harney land office at Burns was opened for business July 1st. An Ashland man got \$60 for the strawberry product of 40x40 feet.

Children Cry for Pitcher's Castoria. When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria. Judge Wm. Dawson, of Monmouth, died last Sunday at the age of 73 years. He came to Oregon with Stephen Week's party in 1843.

The Ohecco Review says hay for next winter is already being engaged at \$15 per ton around Primeville. PEARS is the purest and best Soap ever made. Sam Jones left this city and this State quite replete with big North American \$8888. There are no lies on Sam. - Sacramento Ex.

IT MADE MOTHER STRONG. My mother has been using PAIN'S CELESTIAL COMPOUND for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves. G. H. BRUNS, Orbisonia, Pa. I am in my fifth year. Have been afflicted to several years - could not sleep, had no appetite, no courage, low spirits. I commenced using Paine's Celery Compound, and felt relief from the third day after using it. I now have a good appetite and can sleep well. My spirits and courage are almost like those of a young man. S. C. KIRKLAND, D. D., Gonzales, La. Paine's Celery Compound Strengthens and builds up the old, and cures their infirmities. Rheumatism, indigestion and nervousness yield quickly to the curative power of Paine's Celery Compound. A Perfect Tonic and Invigorator, it Cures Headache. I am now 69 years old and have tried several remedies, but none had any effect until I used Paine's Celery Compound. I feel entirely different from the short time I have used it. I can walk nearly straight, sleep sound and well, and feel as though there was no life and energy coming into my whole system. H. MYLES, Cleveland, Tenn.
