Joseph Strong, a man of 40 confessed, on his dying bed in a New York hospital the other day, that he had been married sixteen different times in the last seven years, and that he believed all his wives to be living. He wanted to live to make them all happy, he said, but death claimed him for its own.

It is surprising that people will use a common, ordinary pill when they can ecure a valuable Inglish one for the same money. Dr. Asker's English pills are a positive cure for . ck-beadache and all liver troubles. They are small, sweet, easily taken and do not gripe. J. W. Conn, Druggist.

Three Rebellions a Day.

Three Rebellions a Day.

Three rebellions, obstinate, though bloodless, occur in the stomach of the dyspeptic who partakes of food thrice a day. The digestive organ refuses on each occasion to perform the duty assigned to it by nature, and trouble ensues. How discipline, how regulate it? Simply with a wineglassful of the genial invigorant and appetizer. Hostetter's Stomach Bitters, before each meal and before retiring. Digestion will, after a course of this pleasant regulator, become easy, and its forerunner, appetite, also improve. Nervousness and insomnia, always induced by chronic dyspepsia, will disappear with its disappearance thus insured, and constipation and billiousness, its usual attendants, also take their leave. Not only will the system acquire strength, but also substance by a more perfect assimilation of the food. Rheumatism, malarial and kidney complaint and neuralgia yield to the Bitters.
