The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.
"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.
"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crear, Palmyra, Md.
"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.
"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Moluncus, Me.
"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.
"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.
Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

LOOK AT YOUR WATCH!

And See How the Hours Are Marked by Roman Numerals.

"Mark down the figures on the face of a watch," said a Summit street jeweler to a reporter of the Toledo Blade.
"1, 2, 3, 4, 5, 6—began the reporter as he put pencil to paper.
"No, I mean Roman numerals."
"Then this was produced.
I, II, III, IV, V, VI, VII, VIII, IX, X, XI, XII.
"You are wrong," said the jeweler.
"I guess not," said the reporter.
"Try again," said the jeweler.
"Perhaps I don't know how to count in Roman figures," said the reporter.
"You know that well enough, but watch-makers use different ones. Look at your watch."
"Haven't got one."
"Well, look at mine. See the figure which stands for 4 o'clock."
The reporter looked, and was surprised. It was IIII and not IV.
"Are all the clocks and watches that way?" he asked.
"Every one which has Roman figures on its dial."
"Why?"
"Well, I'll tell you the story. It is nothing but a tradition among watch makers, but the custom has always been preserved. You may or you may not know that the first clock that in any way resembled those now in use was made by Henry Vick, in 1370. He made it for Charles V of France, who has been called 'The Wise.'
"Now, Charles was wise in a good many ways. He was wise enough to recover from England most of the land which Edward III had conquered, and he did a good many other things which benefited France. But his early education had been somewhat neglected and he probably would have had trouble in passing a civil service examination in these enlightened ages. Still he had a reputation for wisdom, and thought that it was necessary, in order to keep it up, that he should also be supposed to possess book learning. The latter was a subject that he was extremely touchy about.
"So the story runs in this fashion, although I would not vouch for the language, but put it in that of the present day:
"Yes, the clock works well," said Charles, 'but, being anxious to find some fault with a thing he did not understand, 'you have got the figures on the dial wrong.'"
"Wherein, your Majesty?" asked Vick.
"That four should be four ones," said the king.
"You are wrong, your Majesty," said Vick.
"I am never wrong," thundered the king. "Take it away and correct the mistake!" and corrected it was, and from that day to this 4 o'clock on a watch or clock dial has been IIII instead of IV. The tradition has been faithfully followed.

Convicted by the Clock.
A lady from Ithaca, the birthplace of ex-governor Cornell and his wife, told me yesterday, says a New York letter, a good story apropos of the perils of wedded life, which the governor told at his own expense. It seems that when in office at Albany he would sometimes return home late at night, after his wife had retired, and when she asked him what time it was would answer: "About 12" or "a little after midnight." One evening instead of making the inquiry, she said: "Alonso, I wish you would stop that clock; I cannot sleep for its noise." All unsuspecting, he stopped the pendulum. In the morning while dressing, Mrs. Cornell inquired artlessly: "Oh, by the way, what time did you get home?" "About midnight," replied the governor. "Alonso, look at that clock!" The hands of the clock pointed to 2:30. The governor was crushed.

It is reported by those who think they know whereof they speak that the timber land and pre-emption acts will be repealed at the next session of congress. Whether or not these prophets are correct we can not say, but certain it is that nearly everybody believes them and all who have the ready money are striking out for and investing in tall timber. If congress should repeal these acts all timber lands would be worth at least \$10 per acre in less than a year, and in choice locations more than double that sum. Those who have not yet exercised their rights should make haste to secure 100 or more acres of Uncle Sam's property before the same is withdrawn from the market.
—Rosebery Plaindealer.

A Fact worth Knowing.

No mere cathartic can exert any action upon the liver, yet many persons of bilious habit are continually dosing themselves to produce actions which only weaken the bowels and aggravate the evil. When the liver requires stimulating the precise agent to give healthful and prolonged impetus is Simmons Liver Regulator. It is a safe medicine to take, being purely vegetable. There is no danger from spavitation or from exposure.

A Pennsylvania editor has discovered that everything in nature is playful. He says: "The lightning plays, the wind whistles, the thunder rolls, the snow flies, the waves leap and the fields smile. Even the trees shoot and the rivers and streams run."

News comes from Toungu, Burmah, that Koh Pal Sah, a timber merchant there, has founded a new religion, which is described as a sort of mixture of Buddhism and Christianity. The disciples, who number several thousand, keep the Christian Sunday and abstain from strong drink.

HAPPINESS AND CONTENTMENT

Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Ayer's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Cunn, Druggist.

William Mooney, of West Pike, Potter county, Pa. has a peculiar head of hair. When a storm approaches every hair in his head stands out straight, and as he wears his hair very long he is quite a ridiculous sight. On that account he never leaves the house when it is cloudy.

GUARD AGAINST THE STRIKE.

And always have a bottle of Ayer's English Remedy in the house. You cannot tell how soon Croup may strike your little one, or a cold or cough may fasten itself upon you. One dose is a preventive and a few doses a positive cure. All Throat and Lung troubles yield to its treatment. A sample bottle is given you free and the Remedy guaranteed by J. W. Cunn, Druggist.

When a girl holds her breath a moment and then says, sweetly: "Oh, no, smoking is not at all disagreeable to me Mr. Price," you may be sure Mr. Price is not at all disagreeable to her, whether smoking is or not.

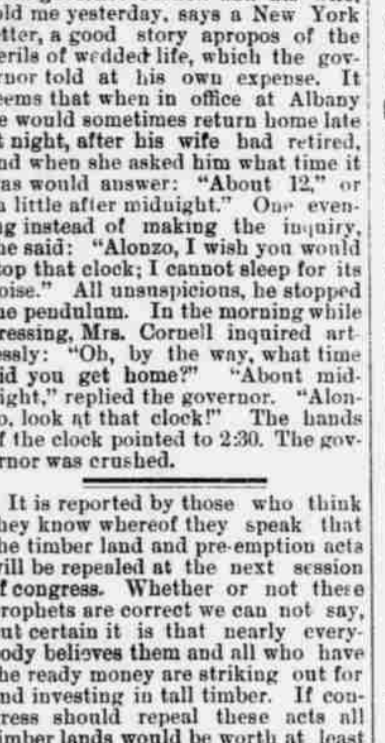

Druggists and all others who sell Ayer's Aque Cure are authorized to guarantee a cure in every instance. Try this medicine first.

The Conseil d'Hygiene in France has just had the fact brought to its notice that the blue lines in ordinary copy books are very injurious to the eyes, and it has been urged that the use of them should be stopped immediately.

For the complexion use Ayer's Sarsaparilla. It brings blooming health to wan cheeks.
