Acting land commissioner Stone has made an important ruling on the subject of the publication of the notice of a final proof of register at Rapid City, Dakota, reported to Stone that the Butte county Star had notified him that they should increase the rates for publishing such notices from \$5 to \$10. As the law says such notices shall be published in preserve represent to the land indicated. papers nearest to the land indicated, and as this was the nearest paper the publishers seemed to be able to dictate. Stone, however, determined not to allow such imposition, and he directed the register to have such notices published in the nearest pa-per that would do so at reasonable rates and he (the commissioner) would see that the lands were not kept from patent by technicalities.

The demand for timber claims in Tillamook does not diminish, but the supply is not equal to the demand, There is plenty of timber land, but it is not as accessible as it was a year or two ago; it is further back and more work to get to it.

We exported last year more petroleum than ever before, 612,000,-000 gallons, of the estimate value of \$49,420,817.

GUARD AGAINST THE STRIKE, And always have a bottle of Acker's English Remedy in the house. You cannot tell how soon Croup may strike your lit-tle one, or a cold or cough may fasten itself upon you. One dose is a preventive and a few doses a positive cure. All Throat and Lung troubles yield to its treatment. A sample bottle is given you free and the Remedy guaranteed by J. W. Conn, Druggist.

The rival towns of Chehalis and Centralia, four miles apart, propose to build a plank sidewalk between the two places.

DITY TO YOURSELF. It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easly taken and do not gripe. J. W. Conn, Druggist.
