Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—
"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.
Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyson, (of Ferrandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

The Behring Sea Seizure.

VICTORIA, July 29.—The *Triumph* entered Behring sea July 3rd, and had boisterous weather up to the 11th. That day was nearly calm.

At 8 in the afternoon of the 11th, she was ordered by the American cutter *Rush* to heave to, as men wished to come aboard. The schooner was going about four knots and the *Rush* about eight. A boat containing three officers and six men came alongside. Lieutenant Tuttle, of the *Rush* came aboard, and the balance remained in the boat alongside. Tuttle asked if they any seals, as he had orders to seize the vessel if she had. McLean said no. Tuttle made a personal search, and found nothing but eight months' supplies. He then advised McLean to leave Behring sea, and told him he had seized the British vessel *Black Diamond* four hours previously. This was the first seizure. He intended strictly to enforce the president's proclamation to seize any vessels found sealing in Behring sea. McLean considered it best quietly to spread his wings for home.

A prize crew was put aboard the *Diamond* and she was sent to Unalaska. The schooner's crew will be sent to Sitka.

Probably by this time a large number of seizures has been made, as the sealing fleet was in that vicinity. The news has created consternation here, as it was not considered that any seizures would be made. The *Diamond* was seized about sixty miles west of St. Paul's islands.

H. M. S. *Champion* leaves for the north this morning to join the balance of her majesty's fleet. She will convey the news to Admiral Heauege.

The *Rush* had a hawser ready to tow the *Triumph*. The *Triumph* is about the finest vessel of the Victoria fleet. She carried thirty-one men, and was owned by E. O. Baker, M. P., of Victoria.

Ayer's Sarsaparilla is recommended by physicians as the only sure blood purifier.

OMAHA, July 29.—Smit was brought to-day by the widow of J. A. Little, of Sewickley, a commercial traveler, to recover \$50,000 from the South Fork Fishing club, the millionaire owners of the South fork dam above Johnstown, Pa., her husband having lost his life at that place during the flood caused by the breaking of the dam July 31.

Ayer's Aque Cure "breaks up" chills and fever, expels malarial poisons from the system, and restores health. Warranted to cure.

Bell, the South Carolina impostor, tells the negroes that each of them must have a pair of wings, price \$5, for the "rise" on Judgment Day, and he has taken in a great many \$5 bills. If he were to be arrested now it is said that 500 negroes would go upon his bond.

Children Cry for Pitcher's Castoria
When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria

A man in Whitneyville, Mo., bought a lot of rockets which wouldn't go off, and his fourth of July was a failure. But a few days later he put the worthless shells in the cookstove with some kindling wood, and he had a Fourth of July and a circus all in one. A patient waiter is no loser in some cases—but in this affair the man lost a \$19 cookstove and a teakettle.

HAPPINESS AND CONTENTMENT
Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Ayer's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Conn, Druggist.

The Boise, Idaho *Statesman* says that during the past two months no less than 100 families, traveling with their own teams, have passed through that place, bound for Oregon or Washington. Four wagons from southwestern Missouri passed through Boise City July 19th.

GUARD AGAINST THE STRIKE.
And always have a bottle of Ayer's English Remedy in the house. You cannot tell how soon Croup may strike your little one, or a cold or cough may fasten itself upon you. One dose is a preventive and a few doses a positive cure. All Throat and Lung troubles yield to its treatment. A sample bottle is given you free and the Remedy guaranteed by J. W. Conn, Druggist.

Connecticut will be the next state to vote on prohibition. An amendment to the constitution will be voted on in October, and its defeat is regarded as a foregone conclusion.

A DEBT TO YOURSELF.
It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Ayer's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easy taken and do not gripe. J. W. Conn, Druggist.

A Notable "Dry Spell."

The "dry spell" of 1889 will go down in history as a year when the world suffered for water—at least on this side of America. The Salem lumber mills have shut down, with four millions of logs lying on the banks of the Luckiamute waiting for water to rise and float them. Mills at Eugene City and Albany tell the same story. All have logs cut but cannot get them floated down the streams. The water has not been high enough to run logs since last year. The Salem mill offers \$7 per M. and vainly supposed that would induce some enterprising man to procure the logs. This is the more to be regretted as there is a lively demand for lumber and all that can be saved could be sold at a good figure. The lucky fellows are the ones who have country mills and own their own timber. A couple of lively fellows, brothers, bought a timber patch near Salem and built a mill there. They got the land low and will make handsomely on the lumber they will saw. The land without the forest will be worth much more than it originally cost and the lumber will pay a big figure. They use steam and own the fir trees, and others like them will secure a good harvest during the dry time with the rivers.

The bogus naturalization papers of a batch of twenty-three foreigners have been set aside by judge Jamieson of Chicago, and the man who falsely swore that he had known all of the applicants for five years has been sent to serve a sentence of three years in prison.

When your liver is out of order your whole system is deranged. Your blood is impure, breath offensive, you have headache, feel languid, dispirited and nervous. The Baltimore "Episcopal Methodist" says "Simmons' Liver Regulator is acknowledged to have no equal as a liver medicine, containing those South-river roots and herbs which an all-wise Providence has placed in countries where liver diseases prevail."

Politicians are already beginning to figure on the reapportionment of congressmen which will follow the taking of the census of 1890. Under our present apportionment there will be, when the four new states are represented, 329 or 330 members of congress, one to every 152,000 people. Under the previous apportionment the number of members was 293, and under the one before that 243.

It is a singular fact that the number of newspapers that died in 1888 was, according to the newspaper directory, just 1888. The number that was born was 2,655.

A CHILD KILLED.
Another child killed by the use of opiates given in the form of soothing syrup. Why mother give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Ayer's Baby Soother. It contains no Opium or Morphine. Sold by J. W. Conn, Druggist.

DYSPEPSIA.

IS that misery experienced when we suddenly become aware that we possess a diabolical arrangement called a stomach. The stomach is the reservoir from which every fibre and tissue must be nourished, and any trouble with it is soon felt throughout the whole system. Among a dozen dyspeptics no two will have the same predominant symptoms. Dyspepsia of the mental power and a bilious disposition are subject to Sick Headaches; those, fleshy and phlegmatic have Constipation, while the thin and nervous are abandoned to gloomy forebodings. Some dyspeptics are wonderfully forgetful; others have great irritability of temper. Whatever form Dyspepsia may take, one thing is certain,

The underlying cause is in the LIVER,
and one thing more is equally certain, no one will remain a dyspeptic who will

SIMMONS' LIVER REGULATOR

Start the Liver to working, when all other troubles soon disappear.
"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Steiner, of Augusta, she was induced to try Simmons' Liver Regulator. I feel grateful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons' Liver Regulator and I feel confident health will be restored to all who will be advised."—Wm. M. Keast, Fort Valley, Ga.
