Drowned On The Siuslaw.

EUGENE, Aug. 5. A sad case of accidental drawning occurred at Acme, on the Siuslaw bay, yesterday. Miss Minnie Luckey, of this city, had been teaching school at Acme for some weeks. Mr. Al Wilson, also of this city, called upon her on Sunday and the could want out for a day, and the couple went out for a pleasure ride in a sail-boat, under the management of a boy named Nealy, who lives at the head of the tide. The boat was capsized, and Miss Luckey and Mr. Wilson were drowned.

At last reports neither body was found. Several parties, friends and relatives, left this city this morning to assist in the search.

London Press Comment-

LONDON, Aug. 5 .- The Times holds that there is not a particle of justifi-cation for the high-handed sensure of the Canadian sealer Black Diamond It says: "No statute of congress can touch English citizens beyond

the territorial waters of America without the consent of England. The seizure is contrary to international law and comity."

In conclusion, it says: "The mation's good sense and the love of justice of the American people can be relied on to assist in the satisfement of a question that ought never to

have been raised."

Merchants, Read This. To the c subject to the vexations of business life, dyspepsia and a feeling of debility, irritability and despendency, we say, take Simmons Liver Regulator. The Regulatoris free from any injurious mineral substance; not disagreeable; can be taken at any time without interfering with business or pleasure. It is gentle, safe, and a good digestor. It is unconalled in the cure of piles, constiinequalled in the cure of piles, consti-pation, bad breath, sick headache and bilions complaints.

A man by the name of Long, late of Roseburg, Or., who had been pros-pecting in the vicinity of Rabbit Hole springs, and who had started with an emigrant for Granite Creek sta-tion, but who had left his traveling partner to take a short cut, was found about the middle of last month with in a half raile of the ranch, where he had evidently perished for want of water, and where he had lain for two weeks. This would make the time of his death the last of June.
