A Little Touch of Vanity.

Not only does every woman who enters an elevator containing a mirror turn round immediately, touch up her frizzes and remove flakes of soot from her face, but men adjust their neckties, take a deliberate survey of themselves, and pose and inflate their chests like Colonel Sellers, of lamented memory.

Ayer's Ague Cure is a vegetable product, and is a never failing remedy for all malarial diseases. Warranted.

The Greek government has issued a circular to European powers demanding that they interpose to restore order on the island of Crete. Otherwise Greece must take action to protect her subjects on the island from the Turks.

Confirm our statement when we say that Ayer's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic and relieves at once.

Newark makes nine-tenths of the patent leather. DR. FLINT'S REMEDY is a medicine which will cure cases of neuralgia which other remedies have failed to reach, as it exercises a double influence, in one case over the circulation, and in the other over the nerves.
