Ayer's Sarsaparilla never before equaled its present daily record of marvelous cures.

Coal Mines Near Vernonia,

All systematic logging camps have a head skidder. Ryan's logging and South Coast road will strike this and south coast road will strike this place whenever the road is built, for when you want the best blood-purifier, ago the head skidder came down from the hills to town on business. The walk home was exhilarating, place without a much greater expense. The Beaver creak pass in the cure of the felt on arriving at his board. Blood Diseases, you can make no mistake in preferring

All the other inmates were ensconsed grade than twenty feet to the mile, in the arms of Morpheus, but the head and the road can be built compara-skidder was familiar with the pantry, tively straight, while if any of the Sarsaparilla and to that place he directed his other passes are taken, the grades light footsteps. All else was dark, to any other. The fore-runner of modern bleed we light around he managed to second the same of the same slices of bread. Dry crackers and pany building the road. As for the bread of themselves are not satisfactrallroad tapping the coal mines, it is bread of themselves are not satisfactory eating, and so thought the head skidder as he continued his fum-bling. His efforts were crowned with believed by many that a branch will believed by many that a branch will be built from some point in the Nehalem valley (probably Vernonia) to the coal mines and thence to Scappoose. A branch road could easily be built from the main line near the summit of the Beaver pass to tap the coal mines, thereby saving a big expense to the company as only about two miles of road would need to be built. No railroad surveyors have ever been over this Beaver creek pass that we are aware of, but if they once look over this route we are satisfied that is where the road will go.

Scriptions. All who lead FOR WHOSE seedentary lives will find it the best preventive of and the best prevent success, for at length be found a knife and something soft in a jar which he readily decided was 'blackberry jelly. Into the latter Le dived quite freely, spreading a good layer of it on the crackers and bread. He then sat down to enjoy the fruits of his search. Being very hungry he ate ravenously for a while, when at length he felt a peculiar sensation at his mouth, throat and stomach. He became alarmed and yelled for assistance. It came and when a light was made the that is where the road will go. skidder discovered he had eaten a quart of soft soap. His throat and

Forest fires are raging in several parts of this country, playing sad havoe with the timber. Already several thousand dollars' worth of fine fir and cedar are consumed and unless we have rain soon there is no telling where it will end. Vernonia Corr. Hillsboro Independent.
