## Ask For Ayer's Sarsaparilla

Sarsaparilla, and be sure you get it, when you want the best blood-purifier. With its forty years of unexampled success in the cure of Blood Diseases, you can make no mistake in preferring Ayer's Sarsaparilla to any other. The fore-runner of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all others combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far exceed those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickham, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. There is nothing so good for the youthful blood as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Monmouth, Kansas.

## He Left Without The Testimony.

They had a quarrel Sunday evening. He got mad and said he'd leave her. Then she got vexed and told him he could do as he pleased. He left. The next night he came around again. He asked to see her alone. She readily complied. She stood ready to throw both arms about his neck and cry out her joy. There was not much color in his face and his voice was husky. He said:

"I have been with you six months, Matilda, and tried in all that time to do what was right."

He paused for an instant to recover his voice, which was faltering rapidly, while her trembling increased.

"I know that I have got considerable temper, and that I do not control it as I ought. But I have tried to be faithful to you—tried to do everything that I thought would tend to make you happy. And feeling this, I have called to-night to see if you wouldn't be kind enough to give a sort of testimonial to this effect, so that I could show it to any other young lady I might want to go out with. It might help me."

He looked at her anxiously. All the color left her face in a flash. She made an effort to swallow something which threatened to suffocate her. Then she spoke:

"You got out of this house as quick as you can, you wretch, or my father shall kick you out."

He didn't stay long, but left without the testimonial.—*Fide Bits.*

## MATRIMONIAL.

Married people will please read as written, single ones can read the first line, then the third, and then the second, and finally the fourth in each verse.

That man must lead a happy life,  
Who's freed from matrimonial chains;  
Who is directed by his wife  
Is sure to suffer for his pains.

Adam could find no solid peace,  
When Eve was given for a mate—  
Until he saw a woman's face,  
Adam was in a happy state.

In all the female face appears  
Hypocrisy, deceit and pride;  
Truth, darling of a heart sincere,  
Never known in woman to reside.

What tongue is able to unfold  
The falsehood that in woman dwells;  
The worth in woman we behold  
Is almost imperceptible.

Cursed be the foolish man, I say,  
Who changes from his singleness;  
Who will not yield to woman's sway,  
Is sure of perfect blessedness.

## SIMMONS' LIVER REGULATOR

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they are advanced will prove a potent cure.

**NO HOME should be Without It.**

FOR WHOSE BENEFIT

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business while taking. For children it is most innocent and harmless. No danger from exposure after taking. Cures Colic, Diarrhoea, Bowel Complaints, Feverishness and Feverish Colds. Invalids and delicate persons will find it the mildest aperient and tonic they can use. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

**A PHYSICIAN'S OPINION.**  
"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the Liver to action, and at the same time (instead of weakening) the digestive and assimilative powers of the system."  
—M. H. HENSON, M. D., Washington, Ark.

## The Poison of Scarlet Fever.

In 1846 a boy of 8 years, the brother of the narrator's wife, was taken down with scarlet fever and died. One of the principal amusements of his illness had been looking over a large picturebook. After his death, with several other useful playthings, the book was packed away in a trunk. Twenty-six years later, in 1872, the sister-in-law of the editor took this trunk with her on a journey which she made to England, where he was then residing. The trunk was opened the second day after its arrival and the picturebook was taken out and given to the editor's two-year-old son. During the next fortnight the little fellow was attacked by scarlet fever. It was a wonder to the doctors who were called in consultation how the disease had been contracted, as there had been no scarlet fever in the town for years. At last it occurred to the editor that the picturebook might have transmitted the disease, and the medical men, in attendance, on being told the facts connected with it, agreed that it had retained the poison for twenty-six years and complicated it to the child.—*Boston Globe.*

There is little to be feared by persons waiting on the sick if they will use Darby's Trophylactic Fluid freely. In sick-rooms it should be exposed on a plate or saucer, and the patient sponged off with the Fluid diluted. For safety, cleanliness and comfort in the sick-room the Fluid is indispensable.
