## Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

**Abundant and Glossy,**  
but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmitt, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

## A Kentucky Suicide.

Andy Bolling was a bad citizen of Jackson county, says the Louisville Courier-Journal, and had killed half a dozen of his fellow citizens. One evening Bolling killed his seventh man in Clover Bottom. The next day a coroner's jury was impaneled to inquire into the affair. The testimony was that the deceased had called Bolling "a liar," and that Bolling immediately drew his pistol and fired, killing the man who had insulted him at the first shot.

The jury went out to deliberate, and after a short time returned the following verdict: "We find that the deceased, Henry Jones, committed suicide."

The coroner was amazed. "I shall not receive the verdict," he said; "the testimony was positive that Andy Bolling did the killing."

"Yes," replied the foreman, "and the testimony was equally positive and unequivocal that the deceased was of sound mind and in full possession of all his faculties just previous to his death, and that while in this condition he called Andy Bolling 'a liar.' It stands to reason that if he had not meditated self destruction he would not have been so rash. He knew what the consequences would be, and he evidently wanted to die."

So the verdict of suicide stood.

**PEOPLE EVERYWHERE**  
Confirm our statement when we say that Ayer's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic, and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee, by J. W. Conn, Druggist.

**The Spokane Real Estate Market.**  
A thousand dollars a front foot for Spokane real estate is exactly the sum paid yesterday for 100 feet. The news broke upon the town like the colors from a rainbow after the storm is over.—Spokane Review.

**Distress After Eating.**  
This result of indigestion will no longer be experienced if Simmons' Liver Regulator is taken after each meal. It is such a good digester, and so mild and pleasant in its effect that it is used by many, after a hearty meal, to insure good digestion. The Regulator does not nauseate or irritate the stomach, but corrects acidity, dispels foul gases, allays irritation, and assists the stomach in its digestion.

An exchange tells of an old farmer of Oregon, who at a revival meeting, when the preacher called upon all who wanted to go to heaven to rise to their feet, firmly kept his seat. When the invitation was given to all who wanted to go to hell, he still remained sitting. "My parishing friend," said the revivalist, coming down the aisle, "you don't want to go to heaven or hell; may I ask where you want to go?" "Nowhere," was the reply. "I want to stay right here in Oregon." And then they sang "Sweet Land of Liberty."

Scrofula cannot resist the purifying powers of Ayer's Sarsaparilla. Sold by druggists.

A terrible tragedy occurred a few days ago on Donke's ranch, near Palouse City, W. T. A threshing crew was at work when George Humason appeared, armed with a Winchester rifle, and without warning, shot his brother, killing him instantly. He died, and at last accounts he had not been captured. He had threatened to kill his brother for slandering his aunt.

**ARE YOU SKEPTICAL?**  
If so we will convince you that Ayer's English Remedy for the Lungs is superior to all other preparations, and is a positive cure for all Throat and Lung troubles, Croup, Whooping Cough and Colds. We guarantee the preparation and will give you a sample bottle free.

Des Moines, Iowa, has about one hundred and twenty-five manufacturing establishments, and it is estimated that these industries together with the coal mines, support over 50,000 of the population of that thriving city.

**Children Cry for Pitcher's Castoria**  
When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria, When she had Children, she gave them Castoria

A movement is on foot in Chehalis county among those who have taken up timber claims to save all unnecessary expense of that trip to Seattle with witnesses by having the clerk of the district court empowered to take proof.

**CAUTION TO MOTHERS.**  
Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Ayer's Baby Sooter is specially prepared to benefit children and cure their pains. It is harmless and contains no Opium or Morphine. Sold by J. W. Conn, Druggist.

## WELL, I DECLARE!

Old Silas lived threescore and ten Of years, to him of long surprise; To ways of flesh and fools, and flies, To reptiles crawling on the ground, To swift birds flying through the air, Who mumbled but one complaint, he

"Well, I declare!" (found: It was the same from morn till night, From night till morn, and everywhere; When life was dark, when life was bright, When doctors told him have a care, When preachers preached with all their might,

When judge and jury told him swear, Surprised, he answered, wrong or right: "Well, I declare!"

When some one said the earth was round, And others said the earth was flat, The disputants he would confound & By saying nothing but just that: When he was told, Oh, this is hot! It seemed to take him unaware, And he would gasp out as if shot: "Well, I declare!"

One summer day old Silas died, And friends and tears above him shed; He passed beyond the great divide That parts the living from the dead; But down through the sun-lit summer air, A whisper came of glad surprise: "Well, I declare!"

## DYSPEPSIA.

It is that misery experienced when we suddenly become aware that we possess a diabolical arrangement called a stomach. The stomach is the reservoir from which every fibre and tissue must be nourished, and any trouble with it soon felt throughout the whole system. Having a dozen dyspepsias to choose from, the same predominant symptoms, dyspepsia, indigestion, flatulence, constipation, are subject to sick headache; those fleshy and phlegmatic have Constipation, while the thin and nervous are inclined to gloomy forebodings. In all dyspepsias are wonderfully beneficial; others have great irritability of temper. Whatever form Dyspepsia may take, one thing is certain,

**The underlying cause is in the LIVER,**  
and one thing more is equally certain, no one will remain a dyspeptic who will

**SIMMONS' LIVER REGULATOR**  
It will correct Acidity of the Stomach, Expel foul gases, Alleviate Irritation, Assist Digestion, and, at the same time

Start the Liver to working, when all other troubles soon disappear.

"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Steiner, of Augusta, she was induced to try Simmons' Liver Regulator. I feel grateful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons' Liver Regulator and I feel confident health will be restored to all who will be advised."—Wm. M. Kanarr, Fort Valley, Ga.
