Why The Widow Was Crushed.

Speaking of widows marrying made me think of an incident that happened near where I lived way back in the fifties. I lived next door to Dick Talbot. He had five little brats. Dick went off hunting one day and shot his leg. It was mighty bad weather, and at last the doctor had to cut off his leg to save his life.

A New York hopeful, retarding from the ball game, on seeing a bull-ferrier in a silver muzzle, exclaimed: "Oh, papa, papa! There's the catcher!"

He (repeated)—Well, you may go further and fare worse. She—Yes, it can't be done around here.

Tobacco gives employment to 30,000 persons in New York. Germans, Bohemians and English predominate.

"Love one another!" sounds like a good maxim, but it makes no end of trouble when followed indiscriminately.

Canada has a population of 4,972,101, an area of 3,610,257 square miles and a public debt amounting to \$284,513,842.

Wolves in European Russia annually destroy 180,000 head of cattle, 500,000 sheep, 100,000 dogs and 150 human beings.

ROYAL BAKING POWDER Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and can not be sold in competition with the multitude of low test, short weight, alum or phosphate powders.
