Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. The best remedy is Ayer's Pills. Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. T. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Lettsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle St., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak St., Boston, Mass.

THE ALASKA FAILURE.

Poor Run of Salmon in Northern Waters.

Vessels which left here last spring for the salmon-fishing grounds in the northern waters are returning, and each seems to confirm the impression which was made a few months ago when the *Bertha* arrived from Kodiak so lightly laden, that the season would be a failure. The previous season was the greatest ever known, the *Bertha* alone bringing down 10,000 cases of salmon for the Alaska Commercial company.

Encouraged by the outlook, a number of new vessels were fitted out and every week in the early part of the year witnessed the departure of a vessel for the Alaskan country, but the season is now nearly over, and with one or two exceptions those who have invested largely will be heavy losers on their venture.

The latest advices received from the canneries are up to the middle of August, and although nearly all of them are approximations, the returns tell their own story. By the early arrivals of vessels in San Francisco it was learned that the salmon run in all the rivers was poor, and the companies which have been half successful were obliged to cast their nets outside the mouths of the rivers. Very few of the fishermen were prepared for this and consequently suffered. The Alutian Island Packing company's vessels were among the first on the fishing grounds, and they were prepared for the emergency, so the season's failure will not fall very heavily on them. They have put up about 31,000 cases.

The Hume Packing company at last reports had about 17,500 cases packed; the Arctic Packing company, about 17,000 cases; the Kodiak Packing company, about 1,000; the Alaska Improvement company, 16,500; Ford & Stokes, 12,000, and the Royal Packing company, 6,000.

At Cook's Inlet the run was about the same as last year. The pack is over and the Cutting Packing company and the Alaska Commercial company will have together about 45,000 cases for the season.

The Karluk Packing company at Kodiak has put up about 53,000 cases, which is less than one-half of the yield at this time last season, the catch then amounting to 72,000 cases.

At Chignak bay the result is far below expectation. There are three canneries on the bay, and it is estimated that altogether they will not put up more than 25,000 cases of salmon.

Two canneries which have been started on Prince William sound have put up, to July 20th, about 15,000 cases. The Arctic Packing company at Kodiak has turned out 8,000 cases for the season, and the Kodiak Packing company will foot up about the same result.

The greatest failures of all is that of the two canneries on Kik island, in the Copper river. They were erected this season at an outlay which is estimated to have reached into the hundred thousands. The facilities were sufficient for the packing of from 50,000 to 100,000 cases of salmon, and it was confidently expected that long before this time at least 50,000 cases would have been put up. The extent of the failure can be surmised when it is made known that only 5,000 cases have been put up on Copper river.

The worst feature of the matter is the fact that nearly all of the canneries had large contracts to deliver their prospective salmon to the wholesale dealers here, having implicit faith in the run. —S. F. Chronicle, 1.

Sleeplessness.

Narcotics and sedatives murder sleep; the unnatural stupor is soon followed by ill effects. Simmons' Liver Regulator removes the cause of restlessness and sleeplessness by regulating the bowels, by establishing good digestion and by quieting the nerves.

"I have been a great sufferer from dyspepsia and loss of sleep. As soon as I feel the least nervous I take a dose of Simmons' Liver Regulator, and sleep all night."—Mrs. R. BRYANT, Griswoldville, Ga.

Passed the "Rush" at Night.

PORT TOWNSEND, W. T., Sept.—2
The Indian sealing schooner *Lottie*, belonging to Makah Indians, arrived from Behring sea with 640 seal skins. The vessel is commanded by Capt. Montandon, with an Indian crew, and reports passing the revenue cutter *Rush*, during a heavy fog at night. On August 2nd the *Lottie* hailed an open boat with two white seamen and one Japanese, belonging to the sealing schooner *Ariel*. When the men came aboard a rifle was discharged, killing the Japanese.

The Grand Prerequisite of Vigor.

The grand prerequisite of vigor and assimilation is the conversion of food into rich nutritious blood. It is only necessary to use with persistence and systematically Hostetter's Stomach Bitters. The fountain head of supply in the animal economy is the stomach. To regulate to invigorate that organ, and thus facilitate its digestive and assimilative processes, should be the chief aim of those troubled with a deficit of stamina. Nervousness, insomnia, feeble appetite—these are usually traceable to impaired digestion. Over come this and you of necessity dismiss its multifarious, perplexing and harassing symptoms. The emaciated can never hope to gain flesh so long as assimilation is imperfect. The Bitters surmounts the only obstacle to an increase not only of vigor, but of bodily substance. Conquer also with the Bitters malaria, kidney and liver complaint, constipation and rheumatic trouble. Thoroughness characterizes its effects.

Many men get rich by doing the work that the other fellows neglect.

ARE YOU SKEPTICAL?

If so we will convince you that Ayer's English Remedy for the Lungs is superior to all other preparations, and is a peccant cure for all Throat and Lung troubles, Croup, Whooping Cough and Colds. We guarantee the preparation and will give you a sample bottle free.

It will require 40,000 census takers to gather the statistics for the United States census in 1890.

Ayer's Sarsaparilla will cure your catarrh, and remove that sickening odor of the breath.

There are 200,000 people in the United States who have artificial legs or hands. This number does not include the veterans of the Union or confederate army.

CAUTION TO MOTHERS.

Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Acker's Baby Soother is specially prepared to benefit children and cure their pains. It is harmless and contains no Opium or Morphine. Sold by J. W. Conn, Druggist.

Some men you can't speak well of, but they hate you if you don't do it.

A DUTY TO YOURSELF.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easily taken and do not gripe. J. W. Conn, Druggist.

The ghosts of the living haunt you more than the ghosts of the dead.

PEOPLE EVERYWHERE
Confirm our statement when we say that Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee, by J. W. Conn, Druggist.
