state capital during next week. To-night the steamer T. J. Potter takes the R. R. Thompson's place under command of Captains Geo. Pease ordinance was lost. Councilmen Robb and W. H. Pope, who will alternate on and Cleveland voting for it; the other She inquired as to the health of Mrs.

'The "transfer" of school books is now going on all over the state. It was a fine job engineered nicely. The old books, that is the former series, were all right, but the people had to be "worked," somehow, and the game was fixed up and put through in great shape. There was a pleasing unanimity of opinion on the part of the school superintendents regarding the matter.

It is the custom for large steam-ship companies to carry their own insurance on their steamers. It is done in this way. The cost of insurance is figured up, and instead of paying it to the insurance companies it is put into cents.
what is called the insurance fund. The experience of many companies is that this is the cheapest way of insur-ance. The method is pursued in part by the Pacific Coast Steamship company, which owned the lost Ancon.

proved up on timber claims and since have had their money returned to them because their advertisements were published more than ninety days before final proof, would now have their receipts issued upon forwarding the money, as the ruling of the general land office, so far as it affected claims that had been proved up on, had been withdrawn.

Lampist McClure is at present having a fine opportunity to see the country. He went on board the Michigan to go to Destruction Island to attend to the fitting of the lamps at the light house there, but the Michigan wasn't able to get within ten miles of the island, and carried him all over the sound and up to Victoria and back again. Now he goes on the Manzanita, and will meet with better luck this trip.

H. E. Jackson is busy on a map of Taylor's Astoria, as Smith's Point and adjacent property will hereafter be called. Mr. Jackson has had a party of men for several weeks running lines and has laid the entire tract off in lots and blocks, with streets num-bered one way and lettered the other. The blocks will have a 20 foot alley bisecting each one, and will be 250 by The blocks will have a 20 foot alley bisecting each one, and will be 250 by 400 feet, 32 lots in each block. One old books and get them exchanged. avenue 120 feet wide will encircle the

shore line; another 100 feet wide will run through the center. A motor line will girdle the point and then running north through the middle, connect at the northeastern extremity.

These are great days for cheek and making money with nothing says the Journal. A Portland cabdriver inspected a farm at Columbia Slough near that city with a view to purchas-As the owner took him for a capitalist he was very willing to listen to overtures for selling out. The bar-gain was closed. The price, \$18,000, was to be cash down. The cabman returned to town, obtained a clean new buggy from the stable and drove money lender out to the ranch How much would you lend on the fine ranch? "Twenty-two thousand," was the reply. The cab man has the ranch and \$4,000 in cash.

The Scientific American in its article on Aberdeen, says: "Men that are able to handle a dozen yoke of cattle, and get all there is out of them."

bank, secretary Tacoma fire department:

OFFICE CHIEF FIRE DEPARTMENT,

J. D. RAINEY, Chief. when a pinch comes, are scarce. For obvious reasons, cattle alone are used as motive power in the woods. It will be noticed that the operators each stand on spring boards set in notches about five feet from the ground." The Washingtonian thinks that a bull-puncher on a spring-board all right. The chief has worked aware to be a spring to a udden attack of bulls or bears: When it comes to writing up the "bull of the woods" the American is not altogether scientific

CITY COUNCIL PROCEEDINGS.

The city council, Mayor Page in the chair, tackled the regular routine of city business at 7:40 last evening.

A petition from Mary Rierson ask-ing that \$83.30, liquor license money be refunded was read; and a motion to indefinitely postpone was lost by a vote of three to three. A motion that the petition be granted was lost by a vote of three to three. After both these motions were made and both lost, the mayor called for other motions, and no motion being made, the matter was laid over.

A remonstrance from West 6th street property holders against proposed establishment of grade was read, and on motion was laid on the

The street committee to whom was referred the Genevieve street prop-erty holder's remonstrance against the grade, reported recommending that Miss Essie Tittell and her dramatic ompany begin an engagement next the council go ahead and establish the grade: report, on motion adopted.

The same committee reported adversely on Mrs. Badollet's petition; report of committee adopted.

Councilman Cleveland reported that J. C. Trullinger was ready to make out a deed for the 60 feet by 800 westward from First street whenbuilt years and years ago is being ever the city conneil was ready to re-opened up again for a mile or so from

An ordinance establishing the grade at the crossing of Water and West 6th street was passed under suspension

An ordinance declaring the proba-ble cost of improving Arch street was assed under suspension of the rules. An ordinance establishing the grade on Genevieve street was read first and

cond times. An ordinance making appropriation of \$117.25 for the benefit of B. Gibson, refunding him that out of \$200 here-tofore paid by him for a license, was

read third time. Councilman Fox said that under standing that such action was illegal, he would vote against it. Councilman Bergman thought so too; coun-cilman Cleveland thought it wasn't illegal, and would vote for it. The some friends, and Mr. Hanns was

TOURNAMENT TOPICS.

The Hose Team That Astoria Sends-The Great Firemen's Tournament at Denver

Considerable interest is manifested in several Oregon and Washington towns over the approaching firemen's tournament at Tacoma. There will be but one team go from here. Following is the makeup of the team: W. J. Barry, P. Grant, N. Grant, W. E. Warren, J. W. Hare, Ed. Hallock, E. J. Barry, P. Grant, N. Grant, W. E.
Warren, J. W. Hare, Ed. Hallock, E.
Z. Ferguson, J. Barnum, Ed. Rea, Ed.
Reed, J. F. Clarke, Fred Prael, T.
Rawlings, J. B. Brown, G. Wilson. They have practiced once or twice, and will leave for Tacoma next Sun-They will be accompanied by a

large delegation of Astorians.

B. S. Worsley yesterday received the following letter from G. A. Burbank, secretary Tacoma fire depart-

TACOMA, Wash., Sept. 6th, 1889. Your letter just received and I tell you it does the chief and I good to see the interest you have taken in it would be a novel sight, as we are quite sure he would not take such a credit: he don't sleep any nights thinkquite sure he would not take such a credit: he don't sleep any nights think-position unless it were to escape a ing about making this a great tourna ment. He says that he will have the water pressure registered to any amount you want it. The track will be on Yakima avenue as it is the wid-est and levelest place we can get. We are going to have it all rolled hard and fixed in the best manner. Have made all arrangements about hotels and restaurant keepers about prices, and they have all signed an agreement not to raise the prices on the days the tournament is here so as to have everything satisfactory. other information from us will be gladly given. Tell your boys that we have got (red paint) and are doing great work and for them to get there if they expect to "dosh." Give my regards to Parker, and my wife wishes to be removabled to both of your end. to be remembered to both of you and hope that we shall be able to enter-

The great firemen's tournament at Dever, Colorado, the last week in Au-gust, attracted an enormous crowd to the Rocky Mountain capital.

There were some world beaters there and they made fine records.

Hooks No. 1, of Denver, won the ladder-climbing contest in 5 2.5 seconds; Greeley's took second money in 5 3.5 seconds. 5 3-5 seconds In the wet test, Aspen Hose, No. 1,

took first prize in 34 1-5 seconds; the next best time was 39 seconds.

In the hub-and-hub race, the All America team took first money, \$500, in 22 1-5 seconds (22 is the record). The Anglo-American team got second

The last day of the tournament in the dry test some good time was made,

Breckenridge Anthony, Kansas Kearney, Nebraska Dodge City, Kansas .30 2-5 The prizes were \$500 to first, \$300

o second, \$150 to third. The record of 30 1-5 is a great one.

Hanna Surprised His Hostess,

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50 c, and \$1 per bottle at J, W. Conn's Drug store.

STARTLING EVIDENCE

curable. Cured by Cuticura Remediles.

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my, face. It ran into my eyes, and the physician was afraid I would lose my syesight altogether. It spread all over my head, and my hair all fell out, until I was ontirely bald-headed; it then broke out on my arms and shoulders, until my arms were just ope sore. It covered my entire body, my face, head, and shoulders, until my arms were just ope sore. It covered my entire body, my face, head, and shoulders, shoulders being the worst. The white seabs fell constantly from my head, shoulders, and arms: the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spending many hundreds of dollars, I was pronounced incurable. I heard of the Curicura Kressoty.

Enter a sing two bottles Curicura Resort and after using two bottles, almost cured; and when I had used six bottles of Curicura. Account of the dreadful disease from which I had suffered for five years. I thought the disease would leave a very deep sear, but the Curicura Remotexpress with a pen what I suffered before using the Curicura Remenses. They saved my life, and I feel it, my duty to recommend them. My hair is restored as good as ever, and so is my eyesight. I know of a number of different parsons who have used the Curicura Benefit from their use. Mes. Rosa Kellly. Rockwell City, Calhoun Co. Iowa.
