George Root, in the Dayton In-lander, predicts that from Septem-ber 12 to September 15, 1889, will occur the worst storm for the past 100 years, and the like of which the oldest inhabitant has never witnessed, nor is it probable that any one now living will see its equal. The storm will be universal, covering every meteorological district of the globe This he claims is no foolish prophesy, and here are his reasons:

planets pass their nodes within three days time—the earth on Sept. 11th Venus and Vulcan on the twelfth and Mercury on the 13th. Such a meteorological event has not occurred for two hundred years.

HAPPINESS AND CONTENTMENT Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Acker's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Conn, Druggist.

There is an effort being made by he single tax theorists to form a party in Oregon; for that purpose Henry George, Dr. McGlynn and others are imported into the state for speech making. They do their speak-ing in large cities and towns where they draw a class of people who own no real estate and, as for that mat-ter, most of whom pay no taxes whatever. Why do they not go among the farmers and land owners to pro mulgate their views?

#### A DUTY TO YOURSELF.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easly taken and do not gripe. J. W. Conn, Druggist.

Araminta—You put your arm around my waist so gracefully, George. George—I have had lots of practice. I was a street-car conductor for five years.
