

### The Daily Astorian.

ASTORIA, OREGON: FRIDAY, SEPTEMBER 13, 1889.

The smallest incorporated town in the country is said to be the borough of South Atlantic City, N. J. It has nineteen voters.

THOMAS G. SHEARMAN estimates there are 31,000 persons in this country who own three-fifths of the total wealth of the country.

BELGIUM has the largest railway mileage in proportion to area, having full twenty-five miles of railway to every 100 square miles.

EVERY block in Butte, M. T., has a private watchman. The audacities of the incendiaries have created great meanness, and if a capture is made the citizens will hardly suffer the culprit to go to trial.

The stampede to the Swank gold district, twenty-five miles north of Ellensburg, W. T., is increasing. The mother lode, which produced from \$100 to \$700 nuggets, it is confidently believed, is at last found.

It is claimed that four American vessels were deliberately run ashore by San Domingan pilots, when they were plundered by officials. Claims for resulting damages are being made out and will be presented to the Washington authorities.

JOHN L. SULLIVAN is going to be a candidate for a seat in the Boston city council so as to get some practice before running for congress. Here is a pointer for some of our Astoria politicians. The election for Astoria councilmen is only three months off.

The ways of auctioneers in different parts of the world vary greatly. In England and America the seller bears the expense of the sale, but in France the purchaser bears the cost, 5 per cent. being added to his purchase. In Holland it is still worse, the buyer being required to pay 10 per cent. additional for the expenses of the sale.

CORPORAL JAMES TANNER rarely goes to bed before ten o'clock in the morning. It is unusual for him to get a night's sleep. He is accustomed to sit up until, thoroughly tired out, he is obliged to lie down. But oftentimes he can only ache and toss, and now and then he is obliged to get up again and sit in his library for an hour or two and smoke himself more tired. The trouble is due to the incessant pain in his two amputated legs. President Harrison has fired him out of the office of commissioner of pensions, because he made too much noise with his mouth.

#### ADVICE FROM BELOW STAIRS.

"Bridget, I would give all my wealth for half of your health."

"Sure, ma'am, you need only give \$5, for that's the price of six bottles of 'J. V. S.' as the boys call it. Joy's Vegetable Sarsaparilla will make you as strong as me, ma'am."

Mrs. J. Barron, of 142 Seventh street, San Francisco, writes: "I have been taking Joy's Vegetable Sarsaparilla with immense benefit. It is perfectly splendid to build up nervous run-down and worn out women."

The issue of postal cards for the year succeeding the letting of the first contract in 1873 was 100,000,000. In the contract recently made the yearly demand for the next four years is estimated at 500,000,000.

#### Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is measured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of the kidneys, liver or stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50 c. and \$1 per bottle at J. W. Conn's Drug Store.

Their Business Booming. Probably no one thing has caused such a general revival of trade at J. W. Conn's Drug Store as his giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.
