

The Daily Astorian.

ASTORIA, OREGON:

SATURDAY, SEPTEMBER 14, 1889.

TELEGRAPHIC.

Specials to The Astorian.

PORTLAND, Sept. 13.—This morning the case of Charles Oble, one of Ben Holliday's agents during the time he led a princely life in Washington city, against Jos. Holliday, executor of estate of late Ben Holliday, went to trial before Judge Shattuck and the court took it under advisement before noon.

Since contractor O'Neil began work at the Northern Pacific Terminal Co.'s property he has put in a strip nearly one thousand feet in length and seventy-five feet in width.

It is thought Jos. Holliday, now at Clatsop beach will resist Judge Stearns' bench warrant. The officer dispatched for him is a determined man however, and the chances are that he will bring his man to Portland whether he wants to come or not.

Mrs. M. A. Lennan, the female lawyer, had a preliminary examination before Justice Little today to answer to the charge of obtaining money under false pretenses. She agreed to show two men timber claims for which she received pay, since which time she has done nothing toward fulfilling her contract.

Judge P. A. Marquand said today he had given no lease of the theatre to yet but intimated that Jno. P. Howe would probably get it.

THE EPISCOPAL CONVENTION.

To-day was the last of the Episcopal primary convention. It assembled this morning at 9:20 and was opened with prayer by Right Rev. B. Wistar Morris, assisted by Rev. S. Leveridge, Powell, Litany was then said by Rev. Mr. Lund.

The missionary committee for the following year was elected and the examining chaplains appointed by the bishop. The rest of the time was taken up in winding up the affairs of the convention which adjourned later in the afternoon. Several ministers will leave for their homes to-morrow but the majority will remain in this city over Sunday, on which day missionary services will be held at Trinity church and St. David's chapel, East Portland.

THE RACES.

The attendance at the fourth day's races at City View park was very large. The weather was perfect and the track fast. While being exercised this morning the running horse "Tom O'Hara" of the Oregon stables, owned by R. E. Bybee, became frightened and bolted the track.

"Tom O'Hara" was entered in today's three-quarter mile dash. The first race on the programme was a three-quarter mile dash with eight starters. "Jon Jon" and "Tom Daly" were first choice with "Jubilee" well up in betting. After an hour and a half of racing the horses got away and ran over the course to finish to a false start. "Sleepy Dick" came in first and after the judge decided the heat was off his owner drew him. The second time "Jubilee" was in the lead at the home stretch. "J. M. R." and "Tom Daly" made a rush for him and came under the wire in a driving finish with not a neck to spare between them. The judges decided "J. M. R." won, "Jubilee" second, "Tom Daly" third, time 1:16 1/2. Mutuals paid eighty-eight dollars. In the second race "Ronnie" won in three straight heats.

EXTENDING OPERATIONS.

MONTECAL, Sept. 13.—T. G. Shanagnessy, assistant general manager of the Canadian Pacific, has been appointed assistant president. He goes to England to contract for three steamers, 5,000 tons, to steam eighteen knots, for the Pacific mail service to China and Japan. The vessels are to be of the same model and design as the North German Lloyd's steamer plan and will cost \$1,000,000 apiece, to be delivered at Vancouver in eighteen months. President Van Horn says nothing short of universal disaster will prevent the company from earning \$2,000,000 next year—\$8,000,000 net, or 6 per cent. on the capital. The government guarantee of 3 per cent. ends in 1888.

MILITARY POSTS.

WASHINGTON, Sept. 13.—Eventually it is proposed by the war department to reduce the 140 military posts to at least half that number. With Indian troubles a thing of the past, there will be no reason for scattering our small army all over the country. In the opinion of the military authorities the day is coming when it will be the large cities that need protection, and not the prairies. It is, therefore, considered much more judicious, and economical as well, to have our 25,000 regulars separated in large detachments as possible, and stationed at convenient railroad centers, from which they can be dispatched to the scene of trouble as rapidly as it is now possible for a small detachment to reach the scene of an Indian outbreak.

CHINESE TICKETS.

New York, Sept. 13.—Inspector Dunn of the customs service, says it is a fact "that the great steamers from Cuba bring Chinese to this port who are provided with passports, and in some cases they have tickets which they have purchased to San Francisco. A separate manifest is made for the Chinese passengers, and that is why they do not appear on the regular list. I know," said Mr. Dunn, "of one batch of twenty-five in the month of August which were let in because they all had passports representing themselves as laborers in transit." The best informed Chinese here admit the local population has increased enormously in the past few months. It is hardly necessary to look for more evidence now that the officials themselves announce their intention of continuing to admit these new subjects of Spain.

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50 c. and \$1 per bottle at J. W. Conn's Drug store.

DYSPEPSIA.

It is that misery experienced when we suddenly become aware that we possess a labolical arrangement called a stomach. The stomach is the reservoir from which every fibre and tissue must be nourished, and any trouble with it lessens its throughput the whole system. Among a dozen dyspeptics no two will have the same predominant symptoms. Dyspepsia is a mental power and a bilious temperament are subject to Sick Headache; those, fleshy and phlegmatic have Constipation, while the thin and nervous are abandoned to gloomy forebodings. Some dyspeptics are wonderfully forgetful; others have great irritability of temper. Whatever form Dyspepsia may take, one thing is certain,

The underlying cause is in the LIVER, and one thing more is equally certain, no one will remain a dyspeptic who will

Start the Liver to working, when all other troubles soon disappear.

"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Sauer, of Augusta, she was induced to try Simmons' Liver Regulator. I feel grateful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons' Liver Regulator and I feel confident health will be restored to all who will be advised."—Wm. M. Knapp, Fort Valley, Ga.
