## The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that jodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited." — Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health." — Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

### General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved." — Mrs. Harriet H. Battie, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies." — F. A. Pinkham, South Molunox, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect." — Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

### Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla." — Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

### Different Views of John L.'s Political Aspirations.

The chief obstacle to John's pretensions is that Hon. Joseph O'Neil, the present representative of the district, wants to succeed himself, besides a large number of Democratic bosses want a chance to secure congressional honors for past services. No one really believes he has any chance even at the nomination, and both parties unite in denouncing him for wanting to secure it.

From directly different standpoints the Republicans consider it an insult to the state, and accuse him of being everything from a "tough" up.

Congressman Lodge says, "It is a preposterous idea." Governor Ames declares "He's joking." Hon. Elijah Morse asserts "His nomination would prove Republicanism a failure." Lieutenant-governor Brackett adds, "The nomination would kill his party." Mayor Hart says "It's a joke put up by the New York papers."

As for the Democrats, they are mad because Sullivan's claim for recognition by the Democratic party threatens to drive the American Democrats out of the party. Hon. Pat Collins says, "Sullivan is joking." Hon. J. O'Neil declares, "I'm too modest to discuss my self-announced successor." Ex-mayor O'Brien adds, "Sullivan is being led to make a dunce of himself." Hon. H. McGuire intimates, "He is suffering from a very big head."

Sullivan is generally credited with having given the Republicans a big argument in the coming campaign against the Democracy, and the leaders of the latter are mad at the slogan for his claim for recognition. Many think Sullivan was put up to it by the New York Sun as a practical joke on Boston.

Headaches, biliousness, and liver troubles are promptly cured by the use of Ayer's Cathartic Pills. Equally safe for young or old.

VANCOUVER, W. T., Sept. 13.—Vancouver awoke this morning to find a large corps of engineers camped within the city. Upon their tents is printed, "Seattle & Southern." They are in charge of engineer Stretch, of that road. No secret is made of the fact that a preliminary survey has been run from West Seattle to this place, and they are now proceeding with the permanent location of the road, beginning at a point on the Columbia river, in Vancouver.

Ayer's Sarsaparilla, highly concentrated, is the most economical blood purifier that can be used.

In regard to the pope leaving Rome, the definite decision by the secret consistory held at the end of June, was that his Holiness should leave Rome as soon as he received positive information from a friendly power that a war was imminent in which Italy would take part.

### Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

### In Iceland the Good Templars

have begun an agitation for prohibition. The whole population of Iceland is but 70,000 to 80,000, and of these several thousand are Good Templars.

### Very Risky Indeed.

To tamper with the symptoms indicative of growing kidney disorder; to neglect for a brief time needful stimulation of the renal organs when their insensibility points, as it always and unmistakably does, to their eventual permanent disease, is certainly very risky indeed. This is, however, a risk that many persons perceptibly drifting into Bright's disease, diabetes, catarrh of the bladder, &c. constantly incur. So those who read, reflect and heed the lessons of recorded experience, the advisability of using Hostetter's Stomach Bitters as a diuretic, need scarcely more than a suggestion. No fact is more generally admitted of commerce, no matter how pure, bear in mind, react prejudicially upon the kidneys when inactive. The Bitters subdues malarial, constipation and rheumatism.

At the Thousand Islands, at dinner one day, Daniel W. Powers and his friends were discussing the merits of different species of game. One preferred canvas-back ducks, another woodcock, and still another thought a quail the most delicious article of food. The discussion and the dinner ended at about the same time. "Well, Frank," said Dan, turning to the waiter at his elbow, who was as good a listener as he was a waiter, "what kind of game do you like best?" "Well, Massa Powers, to tell you the truth, almost any kind of game'll suit me, but what I like best is an American eagle served on a silver dollar." He got it.

Although there are seventy-three different languages and about eight hundred dialects spoken by the American Indians, the sign language is equally understood by all the tribes.
