Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—E. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—H. T. Schmitt, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

A PLANTERS EXPERIENCE.

"My plantation is in a malarial district where fever and ague prevail. I employ 150 hands; frequently half of them were sick. I was nearly discouraged when I began the use of

Tutt's Pills

The result was marvellous. My men became strong and hearty, and I have had no further trouble. With these pills, I would not fear to live in any swamp."—E. RIVAL, Bayou Sara, La.

THE TACOMA TOURNAMENT.

Delayed Dispatches of Tuesday's Doings

Special to THE ASTORIAN.]

TACOMA, W. T., September 17.—There was a big parade this morning and a fine turn out. It was very warm and dusty. The contests were to begin at 1:30 P. M. The Astoria boys found out at once that chief Rainey considered it was his tournament and demanded that the rules be set aside. The teams to start at a drop signal instead of by flash of a pistol. Barry protested and at last after an hour and a half of wordy war the Astoria team gave way as usual for courtesy's sake, though backed up by law.

The Corvallis team ran first. The pressure at the hydrant when the water started was 55 pounds and at the close 40; time 41 seconds.

Rescue's of Astoria ran next. As they started, Bethune and Gibson, the two professionals called, "No start, come back!" This checked Rescue's for a second, but they went ahead in great time and passed the hydrant fine and made a good connection without a break of any kind. Just as Warren had the nozzle screwed on and before water came, Dacey of Victoria, one of the judges, jumped in and instead of grasping the nozzle and dropping it to the ground as he had a right to do, he grabbed it underneath and started to twist, thus, of course, unscrewing the nozzle which was plainly the game. "Hold on," shouted Barry grasping Dacey's wrist, just then water came; time 34 1-10; beating best time on record by 1-10 seconds.

(Thus the Astoria team broke the world's best record in the wet test which was made at Denver last August when Aspen Hose, No. 1, took first prize in 34 1-5. Rescue's beating this record by 1-10 of a second.)

Then came an uproar. Rainey came out in full bloom. He evidently believed it was his tournament, and said, "To h—l with the rules!" The money was in his pocket and he wouldn't allow it to be given to the Astoria team. Pimm, another of the judges making three of five, picked up the nozzle and found it all right; three full turns. The time keepers gave the official time to the secretary. There the matter is for the present. Astorians and others feel sorry over the manifest desire to jockey Astoria out of what was fairly won.

Probably the matter will go before the directors. Astoria won and should have the race, and the thousand dollars!

Our Boys, of Walla Walla, third team made it in 38 seconds.

Then the East Portland team, led by Dave Campbell, a pugilist.

Walla Walla made a good run, but broke down at the hydrant; time 39 2-5.

Vancouver, B. C., came next; 36 2-5. Seattle, the kicking team, ran next; no time. Hadn't three turns on, but would have made it in 36.

New Westminster, B. C., next fared exactly like Seattle. Then Victoria, B. C. team made it in 38 3-5. The three Tacoma teams and the Naimo, B. C. team will continue the same contest to-morrow.

There isn't \$200 up on any contest. Astorians stood around yesterday and to-day with several thousand dollars in their pockets, but could not get a bet. No odds would induce any one to come up. The Astoria team is in fine shape. They have got a little mad over the bunco game attempted this morning, and will go in to win to-morrow and next day.
