

## Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence St., Lowell, Mass.

"Last May a large carbuncle broke out on my arm. The usual remedies had no effect, and I was confined to my bed for several weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw so wonderful a result."

"The marked effect of the use of this medicine was the strengthening of my system."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a deep-seated humor for years, and suffered terribly, and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyson, of Ferdinand, (Ind.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers St., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

## An Anecdote of Lincoln.

A. J. Conant, the artist, during some interesting remarks, in New York, recently, on "Personal Reminiscences of Abraham Lincoln," related one story which, said he, he had himself told to Lincoln, and which the latter used on several occasions, on two of which he had been interrupted before he had got to the point, "and" said the artist, "if there was anything which annoyed Mr. Lincoln it was this. It caused him to always remember the man from whom he got the story. The story was of a Missouri man who went to a stable to get a horse to take him to a convention to which he was going as a delegate with a hope of nomination. The stable keeper was of a different persuasion, and gave him a horse which he calculated would break down before he got there. His calculation proved true, and the man lost the nomination. On his return to the stable the disappointed Missourian asked the stable-man if he was training that horse for a bear. The man said he kinder guessed he was. "Well," said the man, "if you are, he'll never do it for he wouldn't get a corpse to the cemetery in time for the resurrection." This story Lincoln had twice tried to tell, once from the rear of a train, and was carried away by it before he got to the point, and a second time, when present at a gun testing, when the gun was fired just as he reached the Missourian's reply."

Ayer's Ague Cure stimulates the liver and neutralizes the malarial poison in the blood. Warranted to cure.

Protection has proved a great boon to the plate glass industry of this country. There are six factories in the United States, with an output of 750,000 feet per month. The home manufacturers supply almost the entire demand. Although the demand has increased 50 per cent during the last two years, prices have been reduced from 10 to 15 per cent.

After a sea diet, to prevent boils and assist acclimation, use Ayer's Sarsaparilla.

W. S. Cone, while out locating some parties on the south Nehalem last week ran across a band of about 60 elk. He says that one of the men that was with him had a gun, but all at once got the ague, and said: "Mr. Cone, take the gun and kill a fat one," which he did, and got one that dressed about 600 pounds.—Tillamook Watchtower, 21.
