DYSPEPSIA.

It is that misery experienced when we suddenly become aware that we possess a disordered arrangement called a stomach.

The stomach is the reservoir from which every fibre and tissue must be nourished, and any fault with it is soon felt throughout the system.

The underlying cause is in the LIVER, and one thing more is equally certain, no one will remain a dyspeptic who will use

It will correct Acidity of the Stomach, Expel foul gases, Allay Irritation, Assist Digestion, and, at the same time

Start the Liver to working, when all other troubles soon disappear.

Hardly a Pleasing Obituary.

Talking of typographical errors, we do not remember seeing a more horrible specimen of this class of blunders than one which appeared in a Massachusetts paper not long ago.

At the close of an extended and highly eulogistic obituary notice of a deceased lawyer, the reporter desired to say that "the body was taken to Hull for interment, where repose the remains of other members of the family."

By mistake a letter "u" was substituted for the "n" in Hull, changing the sentence to such a degree that no extra copies of the issue of the paper were ordered by the family of the dead lawyer.

Ayer's Hair Vigor keeps the hair fresh and bright. It restores a natural color to faded and gray hair, and renders it pliant and glossy.

A Cure For Drunkenness. Let a person have within his reach a small trial of the best kind of tincture of Peruvian bark, and when the craving for liquor comes on him let him take a teaspoonful of the tincture every two hours.

Horses, Cattle and Chickens. For colic and grubs, for lung fever, cough or indigestion, I give the Ayer's Liver Regulator in a mash twice a day.

Robert P. Porter, superintendent of the census, estimates our population at 65,000,000. He thinks there are 50,000,000 in cities and villages, and 8,000,000 negroes.

WE CAN AND DO Guarantee Ayer's Blood Purifier if it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases.

In London peaches have retailed as high as 62 cents each. In Norway and Sweden the average man never sees a peach.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles.

It is proposed to establish in the city of St. Louis, April 30, 1903, the one-hundredth anniversary of the greatest real estate transaction in American history—the purchase of Louisiana.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles.
