Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Costiveness, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills."—Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer. — Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite Ayer's Pills set me right again."—A. J. Riser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction."—Wright & Hannely, San Diego, Texas.

WASHINGTON ELECTION.

Republicans Make a Clean Sweep There.

The Constitution Carried by a Big Vote.

Spokane Falls reports 300 to 400 Republican majority. A large majority is given, too, for the constitution. In Clark county so far the Republican state ticket is elected two to one. Pierce county gives the Republican state ticket a large majority. The Republicans carry everything in the county. Thurston county gives the constitution over 1,000 majority. The Republican majority on the whole ticket in Thurston is 450. Lewis gives a strong majority for the constitution and the Republican state ticket, and elects the whole Republican county ticket. So far as heard from the vote against prohibition or woman suffrage is two or three to one. It is claimed at the headquarters of the Republican state central committee that the constitution will have 20,000 majority and the Republican state ticket 8,000 to 10,000 majority and that the Democrats will not elect more than twenty members of the legislature out of 105. All places so far as heard from report an enormous increase of the total vote.

In Spokane county the estimated majority on the Republican state ticket is eight hundred.

In Walla Walla county 920 votes are counted, giving a Republican majority of 214. The whole Republican legislative ticket is elected.

At Republican headquarters it is claimed that the state ticket is elected by at least 10,000 majority, and it is considered doubtful whether the Democrats have elected ten members of the legislature out of 105 in all. The majority for the constitution can scarcely be estimated, but will be very large. Indications are that the majorities against woman suffrage and prohibition will be very heavy. The Olympians are jubilant over the vote this town has received for the state capital, but it is hardly probable that it has obtained an absolute majority.

THE RESULT IN MONTANA.

HELENA, Mont., Oct. 1.—The election passed off quietly, only one arrest being made for interference at the polls. Both parties unite in declaring the Australian system a success. The law limits the voter to five minutes in the voting booth, but this feature was not observed, fully fifteen minutes being required in some cases. In some precincts the average time was eight minutes, the general average in this city being five minutes. The Democrats claim the election of their state and congressional ticket, but leave the legislature in doubt; Republicans have made no figures on the legislature, but claim the election of Carter to congress by a small majority, but generally concede the election of Toole, Democratic candidate for governor, with the balance of the state ticket in doubt. Ex-governor Leslie, Democrat, says: "We have got them, without a doubt. Dispatches from the west side indicate a large Democratic majority, and that the entire ticket is elected." Ex-governor Hauser and Colonel Broadwater coincide in this view. Leslie adds: "The Australian system worked like a charm." Fisk, of the Herald, Republican, says Toole is probably elected, but believed Carter will get in by a small majority. Conservative Republicans feel that way from the indications as the polls close. The ticket is a long one, and it will be late before sufficient returns are in to know the result of the governor and congressman.

Great Falls gives a Democratic majority of 75, a gain of 200 over last year.

At 10:50 o'clock the Republican committee claim the state by 1,250 on congress. They also claim the lower house, but concede the senate and governor to the Democrats on returns now in.

IN SOUTH DAKOTA.

MINNEAPOLIS, Oct. 1.—The Tribune's estimate of the result in South Dakota is as follows: Up to this hour, 2 A. M., not enough details of the vote has been received to state the result in South Dakota in actual figures, but the dispatches from the principal towns, including those that were candidates for the choice of temporary capital, show that the Republicans have made a clean sweep of the state.

The majority, as shown by the vote for Mellette for governor, and Pickler and Gifford for congress, will be from 10,000 to 12,000. The Republicans will have a large majority in the legislature, thus insuring the election of two United States senators for the Republicans.

The constitution is carried almost unanimously, and the minority representation is so far in the minority as to be almost lost sight of.

There is hardly a doubt that prohibition has been carried.

The capital question is mixed. Watertown claims to have enough to win, and the other candidates make equally favorable claims, but as it appears, now, Pierre is the lead, with Heron a close second, and Sioux Falls third.

NORTH DAKOTA.

BISMARCK, N. D., Oct. 1.—The official count for the city shows an average majority for the Republican ticket of 163. Private telegrams from twenty-five legislative districts show the election of sixty-seven members of the legislature favorable to Gilbert

A. Pierce for the United States senate. Four more are known to be for Pierce in safe Republican counties, giving him 71 votes sure out of a total of 92 in both houses. Eleven county precincts, and the city of Bismarck give a majority of 449 against prohibition. The constitution has been carried almost solidly.

COMPENSATION.

One woman, in furs and velvets;
 Another in squalid rags;
 One rolled by in her stately carriage;
 The other stood on the flags.

One woman, alone in her carriage;
 By the other a little child
 Who, watching the prancing horses,
 Looked up in her face and smiled.

She stooped to her boy and kissed him,
 And gave him a hoarded crust;
 The other had just left costly blooms
 Where her one son lay in dust.

One, back to her darkened mansion,
 Wealth cannot hold death at bay!
 One, back to the hut where labor
 Brought bread for the coming day.

Perhaps, as over the sands of life,
 Time's great tide ebbs and flows,
 More fates among us are equal
 Than their outward seeming shows.

Catarrh Cured.

A clergyman, after years of suffering from that loathsome disease, Catarrh, and vainly trying every known remedy, at last found a recipe which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self addressed stamped envelope to Prof. J. A. Lawrence, 88 Warren St., New York City, will receive the recipe free of charge.

N. E. Ryther has capped the climax by capturing the biggest oyster that has so far been found on Port Orchard bay. This monstrous bivalve measured nearly six inches in diameter, and weighed shell and all, four and one-half pounds. The big oyster was clinging to a rock about three feet below low water mark, and Mr. Ryther went in after him.

Dropsy and Paralysis.

DR. PLINT'S REMEDY, taken when vertigo, occasional faintness, nausea, loss of appetite, and inability to sleep appear, will prevent the development of inflammation of the brain, of which these are the first symptoms. Descriptive treatise with each bottle; or, address Mack Drug Co., N. Y.

A Sunday school teacher told her pupils to repeat an appropriate verse from the bible as each dropped a penny into the contribution box. The first boy, as he dropped his penny, said: "The Lord loveth a cheerful giver;" the second, "If that giveth to the poor, lendeth to the Lord;" the third, "A fool and his money are soon parted."

HAPPINESS AND CONTENTMENT

Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Acker's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Conn, Druggist.
