Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Constipation, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild; in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

Rheumatism

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with Rheumatism that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills." Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

Headache,

from which I was long a sufferer. — Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

THE ELECTION RETURNS.

Washington, Montana and the Dakotas. Send Republican Congressmen to the National Capital.

HELENA, Mont., Oct. 2.—The Democrats concede the election of Carter to congress. Toole, Democrat, is 300 ahead of Powers, Republican, for governor, with four counties, claimed for both parties, still unheard from. The Democrats have the legislature by a small majority. The Republicans elected a majority of the minor state officers.

The Independent claims the election of Toole, Democrat, by three to four hundred, and a majority of nine on joint ballot in the legislature. All figures on majorities are estimated, as the count is not yet completed in any county.

IN SOUTH DAKOTA. PIERRE, S. D. Oct. 2.—South Dakota's first state election descended to a degrading scramble for the capital location. There was no light on anything else.

Mallotte is elected governor by over 20,000 majority. Pickler and Gifford go to congress. The Republican majority in the legislature will be at least sixty, insuring the election of two Republican United States senators.

The vote is enormous, probably 80,000 for the capital. Pierre, Huron, Watertown, Chamberlain, Sioux Falls and Mitchell were entered. Reports received this morning indicated the vote for Pierre at 26,000, Huron 21,000, Sioux Falls 11,000, Watertown 10,000, Mitchell 7,000 and Chamberlain 5,000.

Huron claims to have secured the capital, as also does Sioux Falls. Little attention is given to minority representation. It is doubtless defeated.

The fate of prohibition hangs in the balance. On a square fight it would probably have been carried, but the votes on this question were recklessly traded on the capital location.

ABERDEEN, S. D., Oct. 2.—The Republican state central committee estimates this morning the Republican state ticket elected by 20,000 majority; that prohibition is carried by from 10,000 to 15,000 majority; that Pierre has 25,000 votes for the temporary capital.

SIoux FALLS, Dak., Oct. 2.—Up to 11 P. M. special to the Daily Press show the following condition of affairs in the capital contest: Pierre 13,928, Huron 11,776, Sioux Falls 11,410. The success of Pierre is generally conceded.

NORTH DAKOTA. FARGO, Dak., Oct. 2.—The total vote is not as heavy as expected, probably about 37,000. Many people have moved away from Ramsey, Eddy and Nelson counties, owing to the failure of crops.

The contest over the judgeships is extremely close. The prohibitionists claim to have carried the territory. Fargo, Bismarck and Grand Forks vote strongly pro-prohibitor, and unprejudiced calculators believe the prohibitionists are beaten by at least 2,000.

The constitution is indorsed with a rousing majority. Returns to 11 o'clock this morning at the headquarters of the Republican state central committee give Miller, Rep., a majority over Roach for governor of 5,172. The average Republican majority is 7,000. Hansbrough's majority for congress is 8,000. Private returns show a total majority of 2,100 against prohibition.

Sixty-eight Republican members of the legislature are known to be elected. The Republicans claim a total of 75. Ex-governor Pierce's friends claim 71 on joint ballot for U. S. senator.

Breathing the Germs of Disease. To inhale the germs of disease with their daily breath is the fate of denizens of malarial-saturated localities everywhere. The endemic atmospheric poison may, however, be kept off the system and rendered innocuous by a defensive use of Hostetter's Stomach Bitters. This pre-eminently safe and effective remedy not only eradicates the disease when developed, but enables the system to safely brave its assaults. Every hygienic function is confirmed or restored to regularity, the circulation quickened, the stomach and bilious habit, which of itself begets a propensity to both intermittent and remittent types of malarial disease, where extrinsic atmospheric causes exist, powerfully counteracted by this inimitable fortifying and defensive agent, which has, moreover, none of the disagreeable characteristics of a drastic cathartic or an alkaloid. Fever and ague, dumb ague and ague cake, and the colic of the isthmus are conquered by it surely, pleasantly. Rheumatism, neuralgia, gout, kidney and bladder troubles, constipation and indigestion yield to it.

Twenty thousand pounds of onions from three-quarters of an acre in the present season's yield reported by W. T. Patton, living near Grant's Pass. This means a market value of about \$400 for the crop, a pretty good income from low priced lands.

A DUTY TO YOURSELF. It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easily taken and do not grip. J. W. Conn, Druggist.

An English railway conductor gets \$6 to \$8 per week.

Ayer's Sarsaparilla contains no harmful ingredients, and is the best blood purifier.

The Crew of The "Alpha" Safe.

PORT TOWNSEND, Wash., Oct. 2.—News from Sitka to-day notes the safe arrival of the crew of the schooner Alpha from the revenue cutter Rush, from Yakutat with the owner, Jeff J. Kahn, and his son aboard. The Alpha had been wrecked, and the crew were prepared to spend the winter at Yakutat.

Hurch, the pictorial artist of the San Francisco Examiner, who was supposed to have been lost in the wreck of the Alpha in Alaska, arrived from Juneau to-day, and relates an interesting story of his hardship in the frozen seas. He leaves for San Francisco to-night.

Ayer's Hair Vigor keeps the hair fresh and bright. It restores a natural color to faded and gray hair, and renders it pliant and glossy.

An exchange says that an editor, once applied at the door of Hayes for admission: "Well," replied his sable majesty, "we let one of your profession in here many years ago, and he kept up a continual row with his former delinquent subscribers, and as we have more of that class than any other we have passed a law prohibiting the admission of editors."
