The State Fair's Success-

"We were well pleased with this year's state fair," said Hon. J. T. Apperson, of Oregon City, president of the Oregon state board of agriculture, "It was one of the best fairs we have ever held. There has been a large increase in the attendance at the last two fairs. A year ago we cut down the admission fee one-half, still the receipts have been as large as ever, which proves that the atten-dance has doubled. This year the receipts were over \$18,600, the largest for ten years, and the disbursements about \$16,000, which includes money spent for improvements, leaving us, inclusive of last year's balance, a to-tal of about \$7,000. It is quite likely that additional improvements will be ordered when the board meets in De cember. We need more stable room and the pavilion should be fixed up."
