It will be seen that the United States impassable barrier to naval troops Oar coast, on the contrary, is accessible almost anywhere, except of their duties until Monday, Novembergaris of the Pacific, and foreign troops can be landed at almost any The Gulf of Mexico is a formidable key of entrance to our do- with the certificate of the governor, main. The nation which will here or in its receipt by president Harrison or in the issuance of his proclamation after have possession of an isthmian canal can strike us on both sides of the continent at will. Hence it is that

or in the issuance of his proclamation the state may not be admitted until after the first Monday in November. In that event the state officers will Mexico and Central America form a part of our continuous coast line. An could fortify and pillage our western coast while guarding 36,516 miles of Atlantic will meet informally and adjourn from day to day until it is issued. coast, it will be obvious that our main dynamite guns.

Does it never occur to men who are Does it never occur to men who are rison, and the proclamation admitting strongly inclined to criticise, and little it will be the last one issued. In that given to commending the work of event the number on its knapsack will others, that criticism always gives, to be number 42. an observing eye the measure of the Harrison may construe the Omnibus critic himself rather than that, of the thing criticised? Only real ability or the he may deem it to embrace all four of the new states in one proclamation or that he may deem it to him to embrace all five the town of Dothen, Alabama, to resist license tax. A riot in which two leadcan recognize real ability in oththing" to proclaim the birth of four ress. Two town officers have been ers, and only he who is noble states in one proclamation, the numcan perceive the presence of the noble. ber on the Washington knapsack will Thus good work often passes for less Thus good work often passes for less than it is worth because those who behold and criticise it are themselves below the average. It is not always that the cause of the sneer of criticism is actually in the thing criticised, it is often the jealousy of the critic, looking on that to which he himself is consciously unequal, that prompts it. This may not be understood by the not having it, talked them into taking ar critic himself, and he may even suppose that his criticism is cool judg. mineral blood purifiers, the effect of the ment when it is only personal prejudice. Nearly always criticism is un- almost prostrating her before the mistake was gracious and not unfrequently unjust, rectified. She then called upon Mrs. Fowler, and when its subject is conscious that of 327 Ellis street, whose name was among he does not deserve it, it has a poisoned point that pierces and pains, her. Again reassured, the vegetable comand yet there is no remedy but to bear and still work toward that best though denied the words "well done." though denied the words "well done," which more than aught else would aid in the accomplishment of a good her old self within a fortlight. This sounds purpose or the gratification of a little like fiction, but the names can be given if pardonable personal pride in an effort to do that which needs doing and

THE biggest premium at the Manchester, Ohio, fair last week was \$15 for the best loaf of salt-rising bread, To the Members of Seaside and it stirred up a big dispute. Nearly every woman in Adams county and many from adjoining counties, who were at all versed in the culinary art, must have tried for that blue ribbon, as there were loaves upon loaves special rates.

Members of Seaside Lodge No. 12, de piled up. The directors finally prevailed on some person to assume the risk of tying the ribbon. After the premium was awarded, it was dismentioned.

siring of avant themselves of the opportunities offered, will gain, all information desired by attending Lodge meetings between new and the date above mentioned.

H. A. SMITH. covered that one of the judges was related to the successful exibitor, and, of course, this created discontent. New judges had to be selected, and the ribbon was tied the second time. The unsuccessful exhibitors did not quiet down, however. They declared that the judges didn't "know anything about bread." More than one hundred families are at swords' points, and at least one engagement has been declared off. Scarcely a day has Shoes at P. J. Goodman's.

passed without a fight, and the whole ounty is worked up over the affair.

THERE is a strong probability that Great Britian has brought some pressure to bear upon the Canadian government for the purpose of inducing the abondonment of the policy of taxing the Chinese entering the country. tion, has collated a table of the ex- Under the present law every Chinatent of the coast line of the United man entering Canada must pay a tax of \$50. This regulation is irritating on coast surveys. To this is added the Chinese government and it threatthe computed lengths of other boun- ens to retaliate on England for the act of its colony.

A good deal of correspondence regarding the county assessment, re-THE COUNT SURVEY TABLE WITH INDENTA- ceived at this office can be briefly answered by saying that an eight mill levy on a \$6,000,000 assessment will produce as much revenue as a 24 mill levy on a \$2,000,000 assessment besides looking so much better.

THE NEW STATE.

The Number on Its Knapsack Will Be No. 42.

The number of the new state of Washington, will, in all probability,

It will be seen that the United States has an enormous boundary to defend, its coast line being equal to that of der that it is not necessary for the abouts: one alleging that he is in the civilized world combined. Our excessive water border, which, if straightened out, would extend over three times around the globe, points three times around the globe, points significantly to the Monroe doctrine and the necessity of our control that "the terms of all officers elected at the first election under the project of the constitution and the necessity of our control that "the terms of all officers elected at the first election under the project of the project of the part of the detectives and other officers." But nave ignorate the project of the pro ing the issue of said proclamation" of the president, Gov. Moore and other territorial officers will not be relieved

If, however, there are delays in this receipt and canvass of election returns, the forwarding of the constitution not take their positions until Monday,

November eleventh. Section 12 of Article 2 of the conholding a canal at the stitution directs the first legislature to "meet on the first Wednesday after the first Monday in November, A. D. 1889," or the sixth day of November war vessels were being sent was pround Cape Horn to the defense, if indeed any could be spared from after that date, that the legislature

As Washington is two days farther defense in the future will be in forti- from the national capital than Monfied sea coasts, the torpedo system, tana, and three days farther away than Eriesson's destroyer and long-range either of the Dakotas, it is possible, therefore, that its constitution and the certificate of the governor will be the last ones received by President Har-

Yet as it is possible that President new states are named in that document,

#### A SERIOUS BLUNDER.

A Lady Nearly Prostrated by a Pat-ent Medicine. A lady well-known in the Western Addition has been a great sufferer for years with indigestion and dyspepsia. Struck with the testimonia' praising Joy's Vegetable Sarsaparilla, she sent for a bottle. The druggist, sarsaparilla. As the leading sarsaparillas uso emptying of iodide of potash into a stomach already distressingly delicate was disastrous, warm stomach tonics, were the very things necessary .- San Francisco Examiner.

All the patent medicines advertised that is by reason of sneers so often left undone. in this paper, together with the choicest perfumery, and toilet articles, etc., can be bought at the lowest prices, at J. W. drug store, opposite Occiden hotel, Astoria.

#### Specials to The Astorian.

PORTLAND, Oct. 15.-At 10:30 o'clock this morning a Swede named Andrew Walgren was drowned at the foot of B street. He was working for Ham Nickum & Co. and at the moment of his death was unloading cedar lum-ber from a large barge to the dock.

The Coloma cleared this morning She carries as cargo 210 spars, 200,000 feet of lumber and 100 boxes of green apples. Among her passengers are Captain W. W. Nelson, Miss Edith Nelson, Mrs. A. P. Armstrong, Miss Grace Porter a niece of Mrs. J. A. Brown, Nits McCarver and Ralph Hoyt, and two hundred and fifty Chinamen.

James Turk is out of trouble again This morning in the criminal court district attorney McGinn moved to dismiss the indictment charging him with harboring and secreting sailor belonging to the ship Lord Canning on the ground that two unsuccessful attempts had been made to convict him and that at the last trial a majority of the jurors were in favor of

acquittal.
This morning sheriff Kelly conveyed to the state prison to serve one year Ernest Gross for shooting out the eye of John Miller.

provisions "shall be in force from the day on which the president of the United States shall issue his proclamation declaring the state of West Seattle, but no credit is tached to it. The detected on not believe he The detectives been able to leave the city since the a stranger to them.

McDevitt and his son are resting much easier to-day and the probability of young James's recovery is much more favorable to-day than it has been at any time since Saturday.

ATTACKED BY NATIVES. LONDON, Oct. 15.-Advices from Brisbane, Queensland, state that Sir William McGregor, administrator of New Guinea, accompanied by twenty-two men recently landed on the island of Demara. Two hundred and fifty natives made an attack upon the par-ty, but after hard fighting were re pulsed. Eleven of the natives were killed and wounded. Several whites were wounded. The party then burned the village of the natives.

FATAL RAILBOAD ACCIDENT. CINCINNATI, Oct. 15. Several persons are reported killed by the break-ing loose of a car on the Mount Au-burn inclined plane.

THE CRONIN CASE.

CHICAGO, Oct. 15.—The investigation into the methods of jury bribery is temporarily at a stendstill to-day. The efforts of the state are now directed toward finding out the leader of the conspiracy. The examination of venire men was resumed in the Cronin case this morning.

TROUBLE IN GEORGIA. Boston, Oct. 15.-A special from Atlanta, Georgia, says that the Alli-Two town officers have been mortally wounded and a dozen others

A Woman's Discovery.

seriously hurt.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miracuing arst dose that she slept alt hight and with one bettle has been miracu-lously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Herrick & Co., of Shelbyville, N. C.,—Get a free trial bottle at J. W. Conn's Drug Store.
