The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her."

Cough Medicine

To every one afflicted.—Robert Horton, Foreman Headlight, Morrilton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days."

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest."

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral."

Ayer's Cherry Pectoral,

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.

Troppers in American Waters.

PORT TOWNSEND, Nov. 13.—Information has been filed with the collector of customs at this port that British fishermen are trespassing on American waters and catching fresh salmon for the salmon canneries of Fraser river, British Columbia.

The customs authorities, after the investigation and advice of the department, are powerless to interfere with the small British fishing dories in our waters, and the customs force is too small to permit of an officer being stationed to intercept the British steamers.

For Constipation, Indigestion, Headache, Liver Complaint, and for all purgative purposes, take Ayer's Pills—the best for family use.

A Scheme for Making Money.

Some one estimates that getting born costs the people of the United States \$225,000,000 annually; getting married, \$300,000,000; getting buried, \$75,000,000.

Rheumatism and catarrh, caused by impoverished blood, cured by Ayer's Sarsaparilla.

A Courteous Robber.

ROSEBURG, Or. Nov. 13.—A lone highwayman held up the Coos bay stage to-day, cut open the letters and registered pouches and rifled them of their contents and handed them back to the driver and bade him God speed.

DYSPEPSIA.

It is that misery experienced when we suddenly become aware that we possess a diabolical arrangement called a stomach. The stomach is the reservoir from which every fibre and tissue must be nourished, and any trouble with it is soon felt throughout the whole system.

The underlying cause is in the LIVER, and one thing more is equally certain, no one will remain a dyspeptic who will

Start the liver to working, when all other troubles soon disappear.

"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Steiner, of Augusta, she was induced to try Simmons' Liver Regulator. I feel grateful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons' Liver Regulator and I feel confident health will be restored to all who will be advised."

The Knights of Labor.

ATLANTA, Nov. 13.—At the session of the Knights of Labor, the words "of America" were dropped from the name of the organization at the request of Assembly 208, of Birmingham, England. Powderley's address was submitted, and several minor cases in dispute were disposed of. Powderley addressed a public meeting to-night.

The Ohio Election.

COLUMBUS, Nov. 13.—Official returns from all the counties in the state have been received, and the vote on lieutenant-governor verified, which shows a plurality of 41 for Lamason, Republican, over Marguis, Democrat. With the exception of governor, all the Republican state ticket is elected.

A Poor Whaling Season.

SAN FRANCISCO, Nov. 13.—Seafaring men in general are not directly interested in the news of whaling vessels, but they undoubtedly feel a sympathetic interest in knowing whether the men who have dared the severity of the Arctic seas have met with financial success this year or not. It is now semi-officially stated that not a single officer or man on any whaler that has arrived from the Arctic so far this year has a cent coming to him.

A Portland boy who was visiting his cousin up in Linn county shot a Chinese pheasant one day while they were out hunting, says the Silverton Appeal. As they approached town in returning from their hunt the astute country cousin took the pheasant and deliberately pulled its tail feathers out. "Why did you do that?" indignantly asked the city youth.

A man in a Milwaukee court, when asked if he could testify to the veracity of a neighbor, replied: "Well, I would believe him if I knew what he was saying to be true."
