DEMENT'S ASTORIA

This tract is beautifully located on the John Day Slope; joins Riverside on the East and Columbia Second Addition on the North.

It is by far the most beautiful and sightly piece of land yet offered for sale. The timber is light (small hemlock) and the land can be cleared of every stick and stump for less than thirty dollars (\$30) a block. When so cleared it is comparatively level; only enough slope to secure good drainage.

We offer the first twenty (20) blocks at the low price of sixty-five dollars [\$65] for inside, and eighty dollars [\$80] for corner lots. **DON'T WAIT!** Don't join that army of people who in less than one year from to-day will congregate on the street corner and tell how they could have bought the City of Astoria for five hundred dollars [\$500] and made a fortune, but did'nt. **BUY NOW!**

Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Constipation, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no salom; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travellers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills."—Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely remedied all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer."—Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail."—Wright & Hannelly, San Diego, Texas.

I have prepared three thousand baking powders in the market to determine their purity, raising power and difference in the health of those using them. I have uniformly found Dr. Price's Baking Powder the best in all respects. In raising power it stands at the head. It is a pure, clean, elegant and beautiful preparation. I have used "Price's" in my family for years.—Prof. R. C. KUTZ, Late President Michigan State Board of Health.	

The Little Boy Was Revenged.

About thirty-five years ago a little boy was given a quarter of a dollar for spending money. As he walked down the street, very happy, he met with an older boy and showed him the money, saying as he did so: "See what my good papa gave me to spend." The older boy knocked it out of the little fellow's hand and snatched it up, and ran away with it. The little boy was almost heart-broken, but when he went home crying and told about it, his mother gave him another quarter. This mollified him but he never forgave that older boy. The war came on and the older boy was given a commission in the army, while the little one, who was too young to enlist, remained at home. After the war the younger boy became a clerk in the war department. Within the past few years the older boy, who had become a lawyer and an orator, announced himself as a candidate for the United States senate, and he had a large following. It looked as though he might be elected. But one morning the newspapers, in many portions of the country and especially those of his own state, published a statement to the effect that the candidate had been dismissed from the army for cowardice and other questionable conduct. The lawyer denied the charge, and extracts from the records of the war department were published, showing that the charge was true. He was not elected. After his defeat was accomplished he received a letter post-marked Washington, D. C., of which the following is an exact copy: "Do you remember the day you outraged a little boy's feelings and almost broke his heart by stealing a quarter from him?" That deed cost you a seat in the senate."—Washington Capital.

Biliousness.

We have assisted the victims, personally, and know that, for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We tried forty other remedies before we found Shiloh's Catarrh Cure. It relieved them more than any other medicine we tried. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by J. W. Conn.

La Presse, Mr. Chaplain's Montreal organ, says that French Canadians may, under certain circumstances, look favorably on annexation to the States.

Mr. Selby Carter, Nashville, Tenn.: "Ayer's Sarsaparilla cleared my system of scrofula."

The governor of Utah says the Mormons own most of the land, and that it will be many years before the territory can possibly be controlled by Gentiles.

Ayer's Cathartic Pills contain neither calomel nor any other injurious substance. They stimulate the appetite and regulate the bowels.

They say "we don't know who they are, but whatever they say goes; they say that every shot of one of Krupp's great guns costs fifteen hundred dollars—that is to say, it costs this much at one end of the shot. What it costs at the other end, depends on how much the thing it hits is worth and how much it costs to remove the debris."—Washington Post.

THAT HACKING COUGH can be so quickly cured by Shiloh's Cure. We guarantee it.

WILL YOU SUFFER with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you.

SIMMONS' LIVER REGULATOR

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they be advanced will prove a potent cure.

No Home should be Without It.

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business, while taking it. It is most innocent and harmless. No danger from exposure after taking. Cures Colic, Diarrhoea, Bowel Complaints, Feverishness and Feverish Colds. Invalids and delicate persons will find it the mildest and most refreshing sleep. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION.
"I have been using this medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."
L. M. HIGGINS, M.D., Washington, Ark.

Trade-Mark on front of Wrapper, and the Seal and Signature of J. H. Zettin & Co., in red, on the side. Take no other.

An Eye to Business.

Jimmie was the brightest of boys, and having evinced a love for wealth, looked forward to the time when he would be a rich man. One morning at breakfast, his aunt informed him that during the night twigs had been added to the family, which already consisted of three besides Jimmie. The boy dropped his knife and fork and exclaimed: "Great Scott! Aunt Mary, if father and mother keep on at this rate there won't be fifty dollars to divide among us!"

HER NEPHEW JOSHUA.

How Grandma Got Him Through on the Train Without Paying for Him.

"Madam," said the conductor, as he came along to the old lady who had a good sized chunk of a boy seated beside her, "If that boy is over five years of age he will have to pay half fare."

"He is my grand son, he is," she explained, "and I am taking him home with me for a few weeks. His mother ain't been a bit well this hilt summer and—"

"He is certainly eight or nine years old," interrupted the conductor.

"And as I was saying, she tried almost everything and hain't got no benefit. I recommended Jane wood tea, and she drank as much as six gallons afore she quit. She then—"

"Half fare, madam?"

"Yes, but I wanted to say that I then told her she'd better have William go to the woods and dig some sarsaparilla root and bile it up. That's an old stand by with all the Johnson's. Bile it down to about a gallon, and then add a pint of whisky and keep—"

"Madam, I am in a hurry!" sharply interrupted the official.

"Yes, but I want to tell you. You may get a poor spell some time, and want something to brace you up. The Johnsons have used sarsaparilla for upwards of forty years, and if it's rightly prepared it has no equal. After you put in the whisky you want to keep it in a cool place. I s'pose you've got a cellar in your house, haven't you? If you hain't—"

"Bub, how old are you," asked the conductor as he turned to the child.

"His name is Joshua," she explained as she patted him on the head. "His mother kinder wanted to call him Lincoln or Garfield, but I hung out for the old-fashioned names. It was a close shave between Joshua or Obadiah, but Joshua came out ahead. Biblical name, you know, while Obadiah was of no perticular account. If I remember right Obadiah hadled while Jerusalem was burnt' up. Joshua, spell dog for the gentleman."

"Do-g," announced the child in loud tones.

"Lal! but isn't he smart!" exclaimed grandma, as she patted him again.

"Madam," said the conductor, making one last effort, "the rules of the road require me to collect fares whenever they are due. This boy—"

"As I was saying, he will stay with me about four weeks," she interrupted. "He's had a kind of rash breaking out on him for the last three months and I am going to have him try butter-milk for it. The Johnsons have allum set store by butter-milk, et's almost as good as—"

He turned and passed to the next, out-winded and discouraged, and he nudged the boy up, and said:

"Now, Joshua, you kin go to sleep for an hour, and when you wake up I'll give ye a bile egg and a cookie."
