

The Daily Morning Astorian.

VOL. XXXIII, NO. 124.

ASTORIA, OREGON, THURSDAY, NOVEMBER 28, 1889.

PRICE FIVE CENTS

ONE WEEK HAS GONE BY

Since "Dement's Astoria" was put on the Market!

ONLY FOUR BLOCKS ARE LEFT!

This is believed to be a pretty good sign that people know a good thing when they see it. This property is going fast. If you want to make money and make it fast, here is your chance. If you don't, this doesn't interest you.

Meanwhile bear in mind that it is in just such purchases of real estate that big money is made. Better buy than wish you had. Anyhow if you should get left, don't say you didn't have a chance or weren't told.

SHOREY & BALL.

OVER A. V. ALLEN'S.

Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Constipation, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills." Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years, and are completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried." T. F. Adams, Holly Springs, Texas.

"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house." R. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer. Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite Ayer's Pills set me right again." A. J. Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction." Wright & Hannelly, San Diego, Texas.

REPORTS OF GOVERNMENT CHEMISTS AS TO PURITY AND WHOLE-SOMENESS OF DR. PRICER'S CREAM BAKING POWDER.

DR. PRICER'S CREAM BAKING POWDER does not contain Alum, Ammonia or Lime, or any adulterant. R. S. G. PATON, Ph. M., Chemist for the United States Government.

The Cream of Tartar used in DR. PRICER'S CREAM BAKING POWDER is the strongest and free from all lime and other impurities. Prof. FERRIS COLLIER, Chief Chemist for the United States Department of Agriculture, Washington, D. C.

I have several times examined baking powders in the market to determine their purity, raising power and influence on the health of those using them. I have uniformly found Dr. Price's Cream Baking Powder the best in all respects. In raising power it stands at the head. It is a pure, clean, elegant and healthful preparation. I have used "Price's" in my family for years.—Prof. R. C. KENZIE, Late President Michigan State Board of Health.

Oil For Inebriates.

If you have ever been out with a friend that has been drinking too much and you are sober, and unwilling to leave him until you get him home, are trying to persuade him to start for his home, then you will appreciate the situation in which I found myself not long ago. I could do nothing with my companion, and he was rapidly getting helplessly intoxicated. The drunker he got the more obstinate he became. Finally I took him into an all night restaurant, hoping that a cup of hot coffee would partly sober him. By the time the coffee came my friend was sound asleep with his head on the table. I was in despair, when the waiter asked me if I wanted to get the man sober. "Why, certainly I do," I said.

He took a bottle of sweet oil from a table and poured a gill of it into one of the cups of coffee. "Make him drink that," said he, and walked off. I roused my friend and induced him to drink the whole cup of coffee without stopping. The effect was magical. I never saw any medicine act so quickly. In ten minutes he spoke clearly, braced up, got ashamed of himself and started home. I had never heard before of sweet oil as a soberer. —St. Louis Globe-Democrat.

Ayer's Cathartic Pills contain neither calomel nor any other injurious substance. They stimulate the appetite and regulate the bowels.

"From California, eh?" Yes, sir, from San Francisco. "Ah! Indeed! I spent several months in San Francisco. Been there long?" Yes sir; I am a member of the board of supervisors. "You don't say so? What street is your saloon on?" N. Y. Weekly.

Mr. Selby Carter, Nashville, Tenn.: "Ayer's Sarsaparilla cleared my system of scrofula."

The average salary of the 54,874 fourth-class postmasters is only \$153. There are less than six thousand who have \$500 or more a year, and the average salary of the remaining 48,000 is only \$90.

Catarth Cured.

A clergyman, after years of suffering from that loathsome disease, Catarrh, and vainly trying every known remedy, at last found a recipe which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self addressed stamped envelope to Prof. J. A. Lawrence, 88 Warren St., New York City, will receive the recipe free of charge.

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they be advanced will prove a potent cure.

No Home should be Without It.

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business while taking. For children it is most innocent and harmless. No danger from exposure after taking. Cures Colic, Diarrhoea, Bowel Complaints, Feverishness and Febrile Colds. Invalids and delicate persons will find it the mildest and most beneficial. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION. "I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system." L. M. HURON, M.D., Washington, Ark.

The most fashionable hen in New York state is said to live at Winslow's Mills, in the town of Waldshoro. She started in life a plain, dark brown pullet, but soon exchanged this for a black and white suit. The next time she shed her feathers she came out as white as snow, and this fall she appears in a black, white and tan dress.

Biliousness. We have tested its virtues, personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief; the Regulator not only relieved but cured us.—H. H. JONES, M.D., Telegraph and Messenger, Macon, Ga.

"One Touch of Nature."

A singular story comes from Sonoma county, California, which, if true, and it has a very fishy appearance, verifies in a peculiar way the saying that "one touch of nature makes the whole world kin."

The but of Elof Kundson, a hermit living on Sonoma creek, was carried away by a flood last week. Kundson climbed to the roof for safety, and there he clung, until the day following when he was rescued in an exhausted condition. In the meantime a black bear that had also been caught in the flood had climbed on the roof with Kundson. Bruin made no attempt to interfere with his fellow-passenger and both were riding peacefully along with the angry flood in an effort to escape a common destruction.

The fact that the party that rescued Kundson shot and killed the bear before it could escape from the roof to land, will cause a feeling of regret by some that after such a terrible struggle bruin was not permitted to enjoy that which is dear alike to man and beast—life.

The marine department of the dominion is about to survey the British Columbian coast and establish fog signals etc. Had the coast belonged to the United States, as it should, this work would have been done long ago.
