

The Daily Morning Astorian.

VOL. XXXIII, NO. 125.

ASTORIA, OREGON, FRIDAY, NOVEMBER 29, 1889.

PRICE FIVE CENTS

ONE WEEK HAS GONE BY

Since "Dement's Astoria" was put on the Market!

ONLY FOUR BLOCKS ARE LEFT!

This is believed to be a pretty good sign that people know a good thing when they see it. This property is going fast. If you want to make money and make it fast, here is your chance. If you don't, this doesn't interest you.

Meanwhile bear in mind that it is in just such purchases of real estate that big money is made. Better buy than wish you had. Anyhow if you should get left, don't say you didn't have a chance or weren't told.

SHOREY & BALL.

OVER A. V. ALLEN'S.

Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Constipation, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated, contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills." Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—E. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer. —Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction."—Wright & Hannelly, San Diego, Texas.

A Very Narrow Escape.

A remarkable escape from death, bordering on the miraculous, is reported to have occurred at the saw-mill a short distance this side of Winslock, on the Northern Pacific, a few days ago. There is an unprotected shaft on the floor of the mill, revolving with the rapidity of unchained lightning. The shaft is about four feet long, and on each side of it there is an opening about ten inches wide. A lady visiting the mill happened to get too close to the shaft. Her dress was caught and, in the twinkling of an eye, she was hurled to the floor eight feet below. What is most remarkable about the occurrence is the fact that the woman escaped uninjured. One side of her face was slightly scratched, but beyond that there was not a bruise on her. Every vestige of clothing was torn off excepting her shoes, stockings and a pair of worsted wrist bands. Such remarkable escapes can occur but once in a thousand times.

A Good Starter.

Following is the salutatory of the new editor of the *Bandon Register*:—"When in the events of a man's life it becomes necessary to change his mode of existence, he naturally surveys the fields of labor open to him, to find one in which he can eke out an existence, make money, or do some good. And like a ship on the ocean drifting there, so have I into the editor's chair. Whether I shall eke out an existence, gain wealth, or do some good, or none of these, remains for the future to bring to the light. I will say that I am one who loves his fellow man, and am tired seeing our interests antagonized so much; and if I can do anything that will help to bring about a more prosperous social relation between man and man, though I do not more than make a living for myself and family, I shall feel amply repaid for the effort I have made."

The Seat of Pain and Pleasure.

The nervous system, often suffers a diminution of vigor, and causes mental annoyance, and even positive disturbance, without disease in the sensorium itself. It acts as a reflector, in many cases, of irritation in the stomach, and consequently of incomplete assimilation of the food by the rest of the system. To supply a deficit of strength, and remedy a superabundance in the nerves incident to a lack of vigor, Hostetter's Stomach Bitters is far better adapted than any mere nerve or simple tonic, since the opening of its use, complete restoration of the system is effected. It cures rheumatism, neuralgia, biliousness, indigestion, headache, liver and kidney complaints, succumb to the Bitters.

Nothing like it. Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they are advanced will prove a potent cure.

No Home should be Without It.

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business while taking. For children it is most innocuous and harmless. No danger from exposure after taking. Cures Colic, Diarrhoea, Bowel Complaints, Feverishness and Febrile Colds. Invalids and delicate persons will find the mildest, most agreeable and tonic they can use. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION.
"I have been practicing medicine for twenty years and have never been able to put a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."
L. M. HINSON, M.D., Washington, Ark.

Marks of Genuine: Look for the red Trade-Mark on front of Wrapper, and the Seal and Signature of J. H. Zella & Co., Inc., on the side. Take no other.

An Ashland Policeman Seriously Wounded.

ASHLAND, Nov. 27.—This evening upon policeman Leabbo advising a man named Kent, who was disorderly on the streets, to keep quiet, the latter drew a knife, and in the scuffle Leabbo was stabbed twice in the left side, inflicting dangerous and possibly fatal wounds. Kent was immediately arrested.

Biliousness.
We have tested its virtues, personally, and know that, for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We tried forty other remedies before Simmons Liver Regulator, but none of them gave us more than temporary relief; the Regulator not only relieved but cured us.—H. H. JONES, I. D. Telegraph and Messenger, Macon, Ga.

Congressman Hermann's Plans.

WASHINGTON, Nov. 27.—Representative Hermann of Oregon, who arrived a day or two since from a trip through Mexico, is hard at work making preparation for certain legislation that he intends to bring before congress, as well as matters to which he hopes to secure necessary attention before the departments in the way of extending the mail facilities on the Pacific coast, making public surveys, establishing life saving stations, new light-houses, etc. He says he will make every effort to secure a liberal appropriation for rivers and harbors on the Pacific slope, as by waterway improvement a very much good can be done by a comparatively small outlay of money.
