

EXIT DAVIS.

JEFF DAVIS WAS NOT hanged on a sour apple tree, as loudly prophesied by marching millions through the civil war, but died in peace, a general after the close of the civil strife.

The civil war knocked rudely at many doors: some of the same name and his note with Sherman to the sea, and with Stonewall Jackson in the valley of Virginia.

His burial last Wednesday should be the burial also of whatever of bitterness remains of the contest that was on when many of the men of to-day were boys.

The well healed wound must not show a trace of either chronic passion or present pain. Let it be at once a history and a prophecy. Let that face, the fairest to our eyes, of all the nations of the earth, wear henceforth an expression which the world can reverently interpret.

SOME of the members of the California congressional delegation are in favor of adopting some method to check illegal immigration of Chinese across the Canadian border.

When to get a house to live in, is a present question in Astoria. The demand exceeds the supply, and from present appearances will continue to exceed it.

USEFUL INFORMATION.

Tubercy Fox, M. D., the eminent medical writer, in his work "Skin Diseases," thus accounts for the pimples so common to the facial work.

After Buried Treasure.

OSBERT, Cal., Dec. 11.—An old sailor, Pete Jenkins, who has been working on Miller's Blenheim ranch, claims to have been a passenger many years since, with an old pirate, who on his death bed, divulged the secret hiding place of a quarter-million of treasure in Spanish doubloons, the place being Wall Island in the Pacific ocean.

ADVICE TO MOTHERS.

Mrs. Wesslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, relieves all pain, cures wind colic, and is the best remedy for diarrhoea.
