A Serap of Paper Saves Her Life

It was just an ordinary scrappof wrap-ping paper, but it saved her life. She was in the last stages of consumption, told by physiciaes that she was incura-ble and could live only a short time; she weighed les than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a larger bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For faller particulars send stamp to W. IL Cole, Druggist, Fort Smith. Trial Bottles of this wonderful yesterday afternoon, when Judge Stearns began to charge the jury which he finished soon after 5 At 9 o'clock the jury announced that they had found a ver-dict. This fact flashed into the street

strange rapidity, and before the clerk, Church had time to read the verdict the court room was again
