12. MIDNIGHT, DEC. 31, 1895.

Once more the sea of Time rolls up toward the shore. And in a mighty surging billow breaks. The wave is gone, like all the others gone before.

Some sands are gone—the spoil that each wave takes. Forever, as the ocean wars upon the land, Time crumbles down the limits man has set.

Nor rocky shore, nor level lines of yielding sands, May hold their place; there is no barrier yet. Alike, the ruthless torrent crumbles all away.

The pleasant gardens of our youth are gone. The land where life was idle, where our toil was play, Where every pebble like a jewel shone.

Gone, too, are all the fields where manhood's toil Made fertile, plenty gladden arid ground; Where life enriched with labor's bounteous spoil.

Its full fruition and enlargement found. The sea wall bulged up with fond, delusive hope. To bar the progress of the mighty sea, Proved all too weak with this dread enemy to cope—

It lies in fragments on the barren sea. Now, heaving at the feet of those few sterile rocks, Where old age clings to some possession still, Relentless years are rolling up with rhythmic shocks,

To shatter even the hopes life could not kill. So all goes down beneath the rolling tide of years. The billows swallow up life's narrow shore. So shall it be, and still shall fall man's idle tears.

Until the day when Time shall be no more. KEEP TO THE RIGHT. Do not be imposed on by any of the numerous imitations, substitutes, etc., which are flooding the world.

There is only one Swift's Specific, and there is nothing like it. Our remedy contains no Mercury, Potash, Arsenic, or any poisonous substance whatever. It builds up the general health from the first dose, and has never failed to eradicate contagious blood poison and its effects from the system.

Be sure to get the genuine. Send your address for our Treatise on Blood and Skin Diseases, which will be mailed free. SWIFT SPECIFIC CO., Atlanta, Ga.
