

The Daily Astorian.
ASTORIA, OREGON:
SATURDAY, JANUARY 11, 1890
City and County Official Paper.
AN UNFOUNDED ASSUMPTION.

The editor of the Astorian takes occasion of the *Transcript's* failure in publishing a true statement of the condition of railroad affairs to pay itself a most delicate compliment. He says "Pools rush in where angels fear to tread." Granted for the sake of argument that the editor of the *Transcript* is a fool, Mr. Holladay will hereafter pose as a self-confessed angel.

That above, from yesterday evening's *Transcript*, is destitute of any point, as the article to which the *Transcript* refers was handed into this office, unsolicited, and unsought, and was given place just as other correspondence. The manuscript is in this office and the editor of the *Transcript* or any body else is welcome to examine it.

The editor of this paper doesn't write letters to himself; that would be a singular procedure. When he has anything to say he says it without resorting to such questionable measures. The assumption is an unfounded one, and the *Transcript*, as a matter of fairness, should correct its mistake. It may be suggested that such haste to ascribe sinister motives, betokens on the part of the writer of the above extract, a spirit that is the reverse of just or manly.

Grave charges are made by the San Francisco press against the character and management of the life saving service in that vicinity, and loud calls are made for a change. A change is needed, but it is a change that can only be secured by increased appropriations for the maintenance of this most important branch of government coast service.

Elsewhere we find the full text of the railroad contract that has been talked of so much recently. Especial attention is directed to sections Eight, and Nine. On them hang all the law, and the prophets.

The Ohio Democrats have affidavits made in lawsuits by Calvin S. Brice in which he swears that he is a resident of New York city. But the Ohio legislature elected him to the U. S. senate, just the same.

Union Pacific net earnings decreased \$75,611 in November over last year. It will do better after congress passes that bill.

USEFUL INFORMATION.
Tibbery Fox, M. D., the eminent medical writer, in his work "Skin Diseases," thus accounts for the pimples so common to the human neck. "Facing too rich or too greasy food, or too hearty eating while the excretory organs are sluggish, causes in most people indigestion or a dyspeptic condition, which causes the blood to move sluggishly, and clogs the pores. The result is, that the excretory secretions block the pores, which inflame, each distinct inflammation being a pimple. Dr. Fox therefore does not prescribe 'blood purifiers' as called, but a 'dyspeptic cure' to be taken, to use his own words 'til the dyspeptic system has disappeared.' The old idea was, that face eruptions were caused by a 'humor in the blood,' for which they treated the blood, giving the mineral, potash. Dr. Fox's Vegetable Scapapilla follows the readers' blood of Dr. Fox, and aims with gentle vegetable alteratives at the stomach and digestive organs. The reason is apparent why it cures dyspepsia and indigestion, and the pimples and skin eruptions which result therefrom, and why scapapilla that two minerals fail.

PRIVATE WORDS WITH WOMEN.
The eminent and successful electro-magnetic physician, Dr. Darrin, has discovered and perfected a system of treatment that has caused a revolution in the treatment of female diseases. Wherever their treatment is tested and known it has done away with so much needless drugs and surgical operations which result in so many precious lives have been lost. As a discovery, it ranks with Harvey's discovery of the circulation of the blood. It has proved in more than a thousand cases of the worst kind to be a positive cure for the following female diseases:
Ovarian tumors, polypus ulceration and dropsy of womb, irregularity, inflammation, congestion and falling of womb, leucorrhoea, pyelitis and cystitis, pressed menstruation, flooding, frequent urination, bearing down pains, backache, headache, hacking, cough, melancholy, absence of ambition or desire to live, or, in fact, any complaint having its origin in a disordered state of the generative and accompanying organs, whether from contagious diseases, hereditary, accident, tight-lacing, miscarriage or other causes. Their method of treatment is harmless, pleasant and mild. It is applied directly to the womb without the use of instruments; can be applied by the patients themselves, thus securing correct local treatment at home, and its application is easy and simple. Its curative action on the inflamed, congested and ulcerated parts is immediate.

Dr. Darrin refrain from making public the names of hundreds of ladies who have been restored to health, with due deference to the delicacy of their afflictions.
Dr. Darrin will straighten cross eyes from Jan. 15th to 18th. Those not able to pay will be treated free.
Dr. Darrin's New Place of Business.
Dr. Darrin can be consulted free at the Washington building, corner of Washington and Fourth streets, Portland. Rooms 16, 17, 22 and 23, second floor. Ask the elevator boy for room 16. Office hours, from 10 to 4 o'clock day; evenings, 7 to 8; Sundays, 10 to 12. All curable chronic diseases, loss of manhood, blood taints, syphilis, gleet, gonorrhea, stricture, spermatorrhea, seminal weakness, or loss of desire of sexual power, in man or woman, catarrh and deafness, are confidentially and successfully treated. Cures of private diseases guaranteed, and never published in the papers. Most cases can receive home treatment after a visit to the doctor's office. Inquiries answered and circulars sent free. (Parties writing will please mention this paper.)

For Fine Photographs.
Go to Miss Caruthers' photographic gallery: Third street opposite Morgan & Sherman's.

Remember the Austin house at the Seaside is open the year round.

WARMER IN THE INTERIOR.
Murat Halstead On The Sale of The Ohio Senatorship.

THE HOLLADAY INDEBTEDNESS.

CHICAGO, Jan. 10.—The *News* says: In all probability John T. Beggs will be re-elected senior guardian of Camp 20, Clan Na Gael, to-night. Beggs may and may not be president, but it is said that his re-election is assured. The members of Camp 20 have held a caucus and decided that Beggs's acquittal is in the outline of a verdict of not guilty for Camp 20, and that the suspicion that the murder was hatched in that notorious camp has been removed. Therefore, they have decided to elevate Beggs to his old place.
HALSTEAD ON BRICE.

The Nomination a Democratic Surrender To Boole.

CHICAGO, Jan. 10.—Murat Halstead, on his way from Denver to Cincinnati, being interviewed regarding the nomination of Brice, declared that it had not the Democrats in a hole. "It is simply a tribute to the money power," he continued the field marshal, "and they have openly endorsed the representative of such power. How can Democrats ever again pose before the country as opponents of monopolies, trusts and grasping millionaires? Brice is not an Ohioan and his admission is simply giving New York three senators."

THE DEAD CONGRESSMAN.

WASHINGTON, Jan. 10.—The House is draped in sombre black and adorned with simple bouquets of white flowers. The desks long occupied by Kelley of Pennsylvania, this morning remained the members the "Father of the House" had departed from their midst.

THE BABY KING STILL ALIVE.

MADRID, Jan. 10.—The infant king suffered from another attack during the night but the latter attack decreased in severity and thus was a slight improvement in the king's condition. The government has adopted special measures to prevent an outbreak in the event of the king's death. BAGGED SOME GERMAN OFFICERS.

BERLIN, Jan. 10.—A dispatch from Zanzibar says Barberi, has captured Lieutenant Grefenort, German officer of Major Wismann's command and his other German officers.

PARNELL STILL PERSECUTED.

LONDON, Jan. 10.—Parnell has written a letter stating that the letter published under his name on Wednesday addressed to Ennis Board is a forgery. A DECREASED DEATH RATE.

NEW YORK, Jan. 10.—The number of deaths during the twenty-four hours ending at noon to-day is 202.
PORTLAND PARAGRAPHS.

PORTLAND, Jan. 10.—This morning William Hanthorn, the burglar convicted yesterday was taken before Judge Stearns for sentence. The wretched wretch had lost none of his stoicism and again had to be lifted out of his chair as the court ordered him to stand up. When asked whether he had anything to say why judgment should not be passed, his lips twitched a trifle as if he were going to speak but changing his mind and refrained from uttering a word. The court then sentenced him to three years confinement in the penitentiary.
The first annual statement of the estate of the late Ben Holladay under the new administration was made by James Steel executor to-day. The indebtedness against the estate will reach about \$200,000.
The prevailing thaw is working wonders with the Willamette river. Three days ago it was solidly blocked with ice so that not a steamer could possibly make the least bit of headway; consequently they were all tied up. This morning, however, the *Lutoma* came down from Oregon City and her master reported the river free from ice. The boat will make regular trips on schedule time.
