.JANUARY 23, 18 ISSUED EVERY MORNING.

J. F. HALLORAN & COMPANY, Publishers and Proprietors ASTORIAN BUILDING, - CASS STREET

Terms of Subscription. 15 ets 60 ets \$7.00

THE ASTORIAN guarantees to its adver-tisers the largest circulation of any newspa-per published on the Columbia river.

City and County Official Paper. A little son came to brighten the some of Mr. and Mrs. Gelo F. Parker

The meeting of the W. C. T. U. will be held this afternoon at 3 P. M. in the Y. M. C. A.

The snow storm yesterday necessitated the use of two horses, and occasionally three, on the cars of the Third

The play of "Ingomar, the Barbarian," will be presented at the opera house by John R. Lindsay, and his company this evening.

The Salvation army has changed its name, and will hereafter be known as the Christian Crusaders. That which ing them. we call a tom cat by any other name would youl as dismally.

Though active work has temporarily ceased at the jetty, busy workers are engaged in building necessary appli-ances for next season's work. Among other things is now being built a pile driver, which will cost \$14,000.

Purser Barnard, of the Telephone reports cold and disagreeable weather to have an expensive up the river, and at Portland, where the Umatilla river. it snowed heavily. There is still conit snowed heavily. There is still con-siderable ice near the mouth of the be added to the State Agricultural

The funeral of the late C. W. Fox took place from the Congregational church at 2 o'clock yesterday after.

The citizens of Corvallis, raised the \$3000 asked by the street railways to extend the line to both depots. noon, and was largely attended. The family of the deceased have the sincere sympathy of the community in their specifies of \$27,501 over 1888. sympathy of the community in their

school reports severe effects of la grippe among scholars and teachers. About twenty per cent. of the pupils are absent on that account. The pro-fessor himself was compelled to give ap for a week, and is not feeling over vigorous at present.

It will be remarkable if some of our adventursome youth don't get some-thing worse than la grippe. The way they cut through the atmosphere, tear down over the side walks, turn corners, half the time head foremost and bodies flat on the sleds, is worthy of a Barnum expert.

It is evident that the reliable Herman Wise is rid of the "Influenza," as he has a tight "Grip" on business once more. Just read his new "ad"

A \$60,000 boat has been ordered for trade between Seattle and Tacoma. She is to be the fastest stern wheeler in the world.

The wreck of the Idaho is to be in to-day's ASTORIAN, and if you sing it to the tune of "Yankee Doodle," and buy some of Herman Wise's warm clothing you're sure of getting well yourself.

of the railway mail service has concluded arrangements with the agents of the O. R. & N. Co., by which all mails for Oregon, Washington, Idaho and Montana, which had been held back some days on account of the snow blockade on the railroad, was forwarded by the steamer Columbia, which left San Francisco for here yesterday.

The farmers about Chehalis ship over \$700 worth of milk to Tacoma every month. They get five cents a quart, delivered at the depot.

The heaviest taxpayer in Chehalis ship over \$700 worth of milk to Tacoma every month. They get five cents a quart, delivered at the depot.

The heaviest taxpayer in Chehalis ship over \$700 worth of milk to Tacoma every month. They get five cents a forwarded in silver, as soon as necessary. Careful inquiry in financial circles this morning resulted in showing that few had heard of the resountly the county treasury on 9,000 acres of land.

An Astorian reporter made a call on the Jensen Machine Co. yesterday morning. He was shown the intrica-cies and particulars of the new machines for making and capping the cans. They certainly are fine speci-mens of skilful workmanship. It is to be hoped that the inventor will be successful in his defense of infringe. and that the ment when his case comes before the

The directors of the Astoria Gaslight company, at their last meeting considered three bids to build their new wharf. One from Jno. C. Davis, to do the work for \$2,975; another, from W. B. Headington, for \$3,277; a third, was from N. Clinton, for \$2,980. The contract was awarded to the lowest bidtract was awarded to the lowest bid-der. The work of driving the piles and building the structure toward the ship channel will shortly begin.
