Is terrifle. Volcanie eruptions, cyclones, earthquakes are awfully and tremendously picturesque, but scarcely destrable to emulate in action and effect by the administration of remedies which produce convulsion and agony in the abnormal portion of the buman frame. Such is the effect of the old fashioned violent purgatives happily falling more and more into disuse, and of which Hostetter's atomach Bitters is the wholesome, pleasant and far more effective succedaneum. They weakened the intestines—the Bitter's atomach Bitters is the wholesome, pleasant and far more effective succedaneum. They weakened the intestines—the Bitter's atomach Bitters in the wholesome, pleasant and far more affective succedaneum. They weakened the intestines—the Bitter's invigorates them. They left the bowels inactive, because incapactated by ensuing feebleness. The Bitters, on the contrary, and because it enables, not forces, them to act—a vast and fortunate difference—perpetuates their activity and regularity. The liver is beneficially stimulated, as the kidneys also are, by this medicine, which easily conquers, also, malaria, nervousness and rheumatism. IANOS DECKER BROS., J. & C. "Perseverance will accomplish everything." I had these words for a writing lesson once, and I shall never forget them. It is a good thing to have perseverance. There was once a man who was shut up in a dungeon with walls 200 feet thick, made of the hardest kind of stone. He had no tools except a pair of scissors, which his brother had sent him in a loaf of bread; but he remembered that a drop of water will wear away a stone, if it falls on the stone long enough, and that a JAMES MEANS

He had been digging about a year when the governor pardoned him, and the jailer brought him the joyful news. But they couldn't get him to leave the dungeon. He told the jailer that he had undertaken to dig his way through 'the wall and escape in that way, and that he was going to stick to it no matter how long it might take. The jailer urged him to give it up and walk out of the door, and even offered him \$10 to give up his dungeon to a new lodger, but nothing could induce him to change his mind. So he staid in the dungeon and dug away at the wall for PARKER & HANSON, ASTORIA, OR. forty-seven years and every six months he had to pay a big bill for damages to the jail, and he finally died when he was half through the wall.
