It is said that the people of Pilot Rock propose to enforce the law regarding fish traps, and to prevent Birch creek from being obstructed by these cussed contrivances. A purse will be raised and two or three patrolmen employed to parade the banks of Birch creek in search of fish traps, which will be watched when found until the owner comes down to remove til the owner comes down to remove the fish. He will then be arrested and prosecuted to the full extent of the law.

The investigation of pilot Capt. Geo-A. Pease for running into the *Clan McKenzie* has resulted in his license being revoked. For final settlement the case will probably go before the supervising inspector at San Francisco.
