A Thousand Nen Walk Out. ecial to THE ASTORIAN.

San Francisco, March 3. One of the most important strikes that ever secured in this city was inaugurated o-day by about 1,000 iron moulders and iron workers walking out from twelve of the most prominent found-ies of this city comprising the foundry men's association. The trouble arose over an alleged violation of rules of the association men and the union perassociation men and the union per-taining to wages of apprentices, hours of employment and the employment of nonunion men. The fight will be a determined one and it is believed will result in the destruction of the foundry men's association or the iron moulder's union.
