one of the Frederickson Murderers Co.

J. Gibbons, of Eagle Creek, Clack amas county, returned yesterday from Oysterville, Wash, where he visited his brother, Edward Gibbons, who is in jail charged with the murder of Frederickson and wife at South Bend. George Rose, one of the men implicated, made a confession, charging that Gibbons did the shooting.

"My brother complains that he has not been fairly dealt with in this case," said Mr. Gibbons to an Oregonical secretary and the shooting.

nian reporter yesterday. "At the preliminary examination he summoned two witnesses who would have established his innocence, but for some reason their testimony was not taken. These witnesses were Martin Nester and Tommy Brown. My brother and these men had a contract to slash some land. My brother says he was with Nester and Brown when the murder was committed.

"After Edwards and young Rose had been arrested, Rose's father asked my brother if he would not go to Bay Center to see that no violence was offered to the boys. My brother asked: 'How much is there in it for me?' Rose replied: 'I will pay you good wages.' My brother agreed and went down to Bay Center. The au-thorities notied that he took considerable interest in the matter and arrested him.

"After the preliminary examination young Bose was taken from Bay Center to Oysterville. On the boat my brother went to Rose and said: 'What have I ever done to you that you should make a confession like that? Have I ever misused you? that? Have I ever misused you? Rose answered 'no.' Then my brother asked him: 'Did you ever see me on the place.' Rose again replied 'no.' 'Then, why in — did you say that about me?' To this Rose replied: 'Well, they did not put it down the way I told it.' My brother then called Sheri? Torner and told him what. Sheriff Turner and told him what Rose had said, to which the sheriff replied: 'He will make some more statements yet.' "-Oregonian, 18.

A light wool clip is expected both in Oregon and Washington this spring. The hard winter not only proved disastrous to the carcass, but to the fleece as well. Dispatches from Red Bluff are to the effect that 70 per cent. of the spring lambs have been lost and that losses of old sheep have been almost as heavy. The wool crop in that section will not be much more than one-third of the usual

amount. First Class Undertaking

DEAR Bro. Meeker, Ed. The Central Methodist, Catlestsburg, Ky:—I see in the last Central that you want a sick headache remedy.
