The Live Clathier and Hatter, In the Occident Hotel Bl'd'g. Schenck's Addition. Schenck's Addition. Lots in this Beautiful Addition for sale at \$30 each ; \$20 down, balance \$10 per month. Plats and copy of ab- stract furnished free. —ALSO— Astoria Suburbs ! Five Acre Tracts east of Astoria and only one and one-half mile from Columbia Blance \$30 per month. J. H. MANSELL, Real Estate Broker, ASTORIA, OR.	<text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text></text></text></text></text></text></text></text></text></text></text></text></text></text></text></text></text></text>
mended by the papers to boil the Willamette water that they use for household and drinking purposes. Smoke from the canneries and the white sails of the boats on the river, as seen yesterday, form a pleasant con- trast to the inaction of the previous week. The minor heirs of Jeremiah Lean are to come in court and have cause shown why the property should not be sold, to pay debts due from the estate. There is a lively purchase of can- nery material at present, large quan- tities of tin, twine, solder, etc., being meeded to supply the requirements of the season. Rev. Mr. Sandell will hold Divine services in the Swedish Lutheran church in upper town at 8 o'clock Sunday morning. It is a race between Thomas Dealey, Adolph Johnson and G. W. Bucker as to who shall have the greates number of applications to present to Seaside Lodge this evening. There were some good catches of salmon reported yesterday. Two boats at the Scandinavian cannery has 108 and 110 salmon, respectively has	before the youngster reaches his majority he may be converted. There was a general expression of satisfaction on nearly everybody's face yesterday, over the good news that the required subsidy had been raised. There were a few, however, who didn't relish the idea of having a railroad come and bother them and make a noise. When they were boys and went to mill they straddled a sorrel behind a sack with the grist in one end and a rock in the other, and any- thing like a locomotive worries them. Cushing Post, No. 14, G. A. R., has purchased a handsome American flag, 10x15 feet, and next Friday will present it to the school at Upper Astoria. A procession, headed by the drum corps, then the members of the Grand Army, followed by the pupils, will start from the Court street school at 3 p. M., pass the Cedar street school and then proceed to the Upper Astoria school, where the flag will be pres- ented, and interesting exercises will take place. Cabinets \$3 per dozen, to-day, at G. L. Eastman's, Third St., Astoria. Position Wanted. A lady wishes a position to do copy- ing, clerking, or as nursery governess and plain sewing. No objection to con <i>y</i> . Address, for one week, "M," care AstoriaX, Astoria, Or.	poor facilities there for unloading iron and heavy goods, all of which is taken off by hand by the natives. Coming from Tonala she brought nothing but her stores and 400 tons of sand for ballast. The crew consists of twenty- five men. all told. Her official num- ber is 90,079. The Soundiags Not as Represented. Mr. A. J. Brownlie, superintendent of lighthouse construction, arrived home yesterday from a trip to Cape Blanco on the Manzanita. He left the steamer at Yaquina and says Capt. Rhoads did not find the soundings on the bars at various ports visited just what they are represented to be Oregonian, 9. The New Discovery. You have heard your friends and neigh bors talking about it. You may your- self be one of the many who know from personal experience just how good a thing its. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial Bottles Free at J. W. Conn's Drugstore. The Hoffman House Cigar. The La Paloma cigar and other fine	and is now well and healthy. J. II. mended by the papers to boil the Willamette water that they use for household and drinking purposes. Smoke from the canneries and the white sails of the boats on the river, as seen yesterday, form a pleasant con- trast to the inaction of the previous week. The minor heirs of Jeremiah Lean are to come in court and have cause shown why the property should not be sold, to pay debts due from the estate. There is a lively purchase of can- nery material at present, large quan- tities of tin, twine, solder, etc., being needed to supply the requirements of the season. Rev. Mr. Sandell will hold Divine services in the Swedish Lutheran church in upper town at 8 o'clock bunch in upper town at 8 o'clock Sunday morning. It is a race between Thomas Dealey, Adolph Johnson and G. W. Buckers a to who shall have the greates number of applications to present to Seaside Lodge this evening. There were some good catches of salmon reported yesterday. Two boats at the Scandinavian cannery has 108 and 110 salmon, respectively One outside hoat had 113.	before the youngster reaches his majority he may be converted. There was a general expression of satisfaction on nearly everybody's face yesterday, over the good news that the required subsidy had been raised. There were a few, however, who didn't relish the idea of having a railroad come and bother them and make a noise. When they were boys and went to mill they straddled a sorrel behind a sack with the grist in one end and a rock in the other, and any- thing like a locomotive worries them. Cushing Post, No. 14, G. A. R., has purchased a handsome American flag, 10x15 feet, and next Friday will present it to the school at Upper Astoria. A procession, headed by the drum corps, then the members of the Grand Army, followed by the pupils, will start from the Court street school at 3 p.
