Free Silver Coinage or Nothing. Washington, D. C., May 14. — Senator Stewart asked the California senator Stewart asked the Camorina associated press agent, to-night "How about silver, what do you find on your rounds?" The reporter suggested that a concensus of opinion favored free coinage: "That's it, exactly" said the senator, "and that what we'll get or nothing." Both sides have taken this stand. The issue before the people is more valuable than any compromise. Senator Stewart thought Tellers bill, which is identical with his wn, might succeed.
