REPUBLICANS ARE CONFIDENT.

Special to THE ASTORIAN.
PORTLAND, Or., June 2.—The election held throughout the state to-day for congressmen, legislators and state officers, brought out a large vote. Besides the regular Democratic and Republican tickets, there were three independent tickets in the field in this city, and a large amount of scratching is being done. Eight arrests have been made for bribery, and one for illegal voting. Among the persons arrested charged with bribery is ex-Sheriff T. A. Jordan, chairman of the Republican county committee. Reports from the southern part of the state at this hour state that Penney, Democratic candidate for governor, is running ahead of his ticket.

Nothing Definite Known.

Special to THE ASTORIAN.
PORTLAND, June 3.—Returns received up to 2 A. M., are indefinite. A great deal of scratching makes it impossible to tell the result. In Portland Thompson's majority will fall less than a thousand. The Republican headquarters is deserted, but officials there maintain a brave front, and declare the result to-morrow will show Thompson away ahead. At headquarters no information can be ascertained.

News from the outside is coming in slowly. Thompson retired late, but Republican leaders sat up until they were disgusted with the slowness of the returns, when they took leave, and at 1:30 the streets are deserted. The total number of votes cast in Portland is 8,293. Returns show Thompson 1,108, Penney 1,023. The vote of this city is nine thousand less than was expected.
