A Democratic Governor and a Republican Legislature.

JOS. SIMON GETS IN HIS WORK.

Special by The California ASSOCIATED PRESS.

PORLTAND, June 3.—Latest returns from the entire state, indicate the election of Pennoyer (Dem.) for governor, by a small majority, but Republicans still express hopes that the final returns may change the result.

The majority of Hermann for congress, is estimated at 4,500. The remainder of the Republican state ticket is undoubtedly elected, and the legislature will be Republican by two-thirds, which insures the re-election of United States senator Mitchell.

PORTLAND, June 3.—Sylvester Pennoyer has been re-elected governor, and has a majority of nearly 3,000. Chairman Lotan, of the Republican state central committee, concedes him 1,800, and attributes Thompson's defeat to the fact that every salaried in the state, who never did a day's work, is opposed to a banker on general principles. Secretary Moore says he is elected by a big majority.

PORTLAND, June 3.—Dr. R. Gleason, a well known physician, died to-day.

son, who ran for governor, came out as an independent candidate. When the returns were counted, Simon had a majority of nine, but it was afterward discovered that ten votes had been overlooked, and when they were counted, Thompson had a majority of one.

Thompson was mayor of the city at that time, but Simon beat him in the convention for renomination. Simon always had it in for Thompson for defeating him for mayor, and has at last had his revenge. Thompson defeated him in the primaries recently, and got the gubernatorial nomination. Simon failed to support him, but did not keep his word. On election day he and his Hebrew friends came out with an independent Republican ticket headed by Pennoyer, and swung 1,500 votes from Thompson. Simon has at last had his revenge.

Mr. Thompson, in an interview to night, attributed his defeat to the sentiment Pennoyer stirred up on the non-taxable bond issue. He says it took like hot coals with the farmers and workingmen. He says the Union and Independent cost him 6,500 votes. He said there was no doubt but the Democrats had sold out everything for Pennoyer.

The whole Republican state ticket is elected. Congressman Hermann will have between \$300 and 10,000 majority. Chairman Goldsmith concedes the defeat of state treasurer Webb by 500 to 800, but McLean's majority will be fully 6,000.

The next legislature will stand, sent 21 Republicans, 7 Democrats, doubtful, 2.

House—38 Republicans, 19 Democrats, 2 doubtful; Republican majority in joint ballot, 14.

The Cottrell Case.

Special to THE ASTORIAN.

CEDAR KEY, Fla., June 3.—The Cottrell clique are jubilant. From trusty friends in Jacksonville it is learned that the old man and the respected citizen of this county, had committed suicide. At the coroner's inquest, testimony was given, which implicated the old man and the verdict was that she had been killed by her husband. At the last session of court, the case was continued. The court began its session to-day and this case is the first on the docket. The entire day has been spent in an attempt to procure a jury and upon adjournment, eleven men had been obtained. Scott was a devout Christian and opinion is both divided as to his guilt or innocence. A strong fight will be made by both sides, as the best attorneys in the state have been retained by both the prosecution and the defense.
