SECRETARY BLAINE

Talks Business. With the Tariff Bill for a Text.

WASHINGTON, June 17, -The senate to-day by a vote of 42 to 25 passed the Window silver bill much changed. The principal amendment is Plumb's amendment providing for the unlim ited purchase and coinage of gold and silver bullion. The silver dollar is to be coined of 4121/4 grains of stand ard silver and gold dollar of 25,008 grains of standard gold.

Patents Granted. ecial to THE ASTORIAN.]

Washington, June 17.—Patents have been granted to the following incentors in Oregon; Wm. W. Condor for the Heba milk cooler; Nathaniel P. State, for the Tangent bailing press.

Postoffice Name Changed. secol to Tue Asportant Washington, June 17. The nam of the postoflice at Union Ridge Clarke county, Washington, has been changed to Ridgefield.

Why the Gold Was Shipped. pecial to THE ASTORIANA New York, June 17. Another gold

order was received to-day at the assay office from Heidelbach, lekelheimer k Co., who shipped \$1,000,000 in gold to Berlin on the Warra on Saturday. To day's order was for \$4,000,000 in gold bars, and was characterized by the shippers as a special transaction. It has been developed, however, that the reason for the shipment is that reichmarks are now selling at 95%, while gold at shipping point is 95%. Foreign houses believe that with exhange on Berlin at this high figure more gold must go from this port.

The Mexican Onyx Co.

Special to THE ASTORIAS ! New York, June 17 .- A trust to control the market for the Mexican onyx has been formed. The company is to be known as the Mexican Onyx Co. It has organized here to-day with a capital of \$1,300,000 nominally

pounds sterling and that the section rom Great Falls to Spokane will be milt this year.

Crop Outlook Favorable.

ecal to THE ASSORIAS CHICAGO, June 17. Spring wheat is growing rapidly owing to the abun dant rains of the last two weeks. The winter wheat harvest promises to pen the present week and the out ok is favorable for a good yield.

Building Imborers Strike. cial to THE ASTORIAN.I

Bosros, June 17. The building laborers of Boston, Somerville and Cambridge, numbering 3,000, struck this morning. The bricklayers agreed to support the strikers, and will not re-ceive stock at the hands of non-union nen. The strike is for an advance of 25 cents per day.

NEW YORK OPINION.

The Effect of Silver Legislation.

NEW YORK, June 17 .- The Com Mew York, June 17.—The Commercial Bulletin tries to raise an
nlarm concering the silver bill by suggesting editorially that it is doubtful
whether silver will rise under the legislation proposed. It says: "The compulsory purchase of a fixed amount or
value of silver each month by the
treasury is in the highest degree caltreasury is in the highest degree calmonth of the grain would go to Astoria for shipment by foreign vessels
toria for shipment by foreign vessels
torial todd him I thought it would take
the proposed in the ship of the grain would be
the proposed in the ship of the grain would go to Astorial form. treasury is in the highest degree calculated to depress the price, because the treasury is under obligation to buy where it can buy cheapest, and the world's supply can only be exhausted when all the surplus silver in the civilized world has been absorbed."

The Journal also says: "There is no reason whatever for supposing that imports of silver might not indefinitely increase if the market here be thus entered in the other one-tenth would be ground into flour and sent to Portland people to eat."

"Now why do you Astoria people confine your offer to one line? Why not hold up that \$200,000 subsidy and say that it is for the first railroad which will build here. You see Huntington has a claim now and is in no imports of silver might not indefinitely increase if the market here be thus en-

ontained the only true account of the inspection trip of William Reid and W. H. Whipple over the projected and South Coast railway, published with

were obtained from Mr. Reid on Mon-day night, showing the inner work-ings, and consequently throwing con-siderable light upon the situation, accounting in a measure for the delay which has characterized the movement and which even now appears to be a temporary bar to present progress.

Mr. Reid's statement was substan-tially as follows:

was evidently vexed that he had not set higher figures, and it is very likely now that he hopes by delay, that at least \$150,000 more will be raised as an inducement for him to push the work.

Astoria needs a railroad, and must have it soon, and it begins to look as if the surest way to reap the best advantages is to try and secure the construction of an independent line.

Said Mr. Reid: "I think the bonds can be floated at from 85 to 90 cents.

that Astoria railroad? Don't you

the New Jersey milk district and in this city, 53 herds found to be infected with milk. The number of diseased herds in the Pennsylvania milk district of the city is larger as Philadelphia is without a milk ordinate.

The Wires Down.

At 1:15 o'clock this morning the line broke between here and Portland, and consequently our telegraph report is very incomplete, only about half of it having been received. The break was evidently caused by the storm of wind and rain.

Take It Before Breakfast.

on account of rain. Remembers the Firemen.

John Kinney, James Kinney, Lars Hansen, Tom Rawlings, Nace Grant and C. J. Curtis, the bravest of the brave of Astoria's fire boys!

In recognition of their bravery, standing in the face of the dense volumes of smoke and seething flame, holding the nozzle and never flinching.

The attention of the chief engineer of the Astoria fire department, or the proper person in authority, is called to the fact that the bell tower is without a light, and that any person obliged to give a fire alarm must grope around in the dark with great difficulty, before he can find the bell rope. This is a little matter but should be attended to at once.

There is some betting on the outcome of the Riordan-Fraker contest to-night. Riordan is the favorite, if it is straight, the result may be as much of a surprise as the Sullivan-Scotty battle.

It does not have been waiting for rockbottom prices. Day after day the wires have been hot with advices from the east to the effect that "we could place — carloads of — salmon at — per dozen." There has generally been no limit on the carloads, but choice packs always have been asked for, and the prices fixed have ranged all the way from \$1 to 80 cents.

There is some betting on the outcome of the Riordan-Fraker contest to-night. Riordan is the favorite, if it is straight, the result may be as much of a surprise as the Sullivan-Scotty battle.

A DESTRUCTIVE FIRE.

on, and No. I was delayed several minutes in consequence of the suction pipe being out of order.

A strong wind was blowing from the southeast and at one time it looked as if the two new blocks opposite were doomed. Only for the rain of the past two days, they would probably have ignited. The fire burned fiercely and hung on with wonderful tenacity, considering the fact that the rain was pouring down and both steamers were playing on the flames.

I suffered with neuralgia in the head, but found instant relief from the application of 8t. Jacobs Oil, which cured me.

E. P. BELLINGER, Chief of Police.

TO GOD AND BLAINE

said:

"I was born in Konin, Russian Poland, thirty-seven years ago. When I7 years of age I came to this country without getting a passport or serving my time in the Russian army. I went to Bridgeport, Conn., where I opened a general business and made menoy. I married and have two children. Two years ago I thought I would return to my native land to see my parents.

"I arrived there, saw them and was happy. I made up my mind to come home, and, just before starting, was dining with a friend, when I was approached by a policeman, who took me to the prison at Kalisch, of which a man by the name of Dobnzishi was governor. This was on December 24, 1888.

my wife went to St. Petersburg and petitioned for my release. The caar would do nothing. Her next visit was to the American consul, Wurts. He was very polite, and said: 'I will get your husband out in three weeks,' but nothing was heard from him.

"During this time I had been getting very bad food in the jail. I was put in a little 5x12 dungeon, under ground, and served with the rankest food. My wife asked if she could not send me my meals, and was told 'yes' if she would 'consult' the officials. She then commenced to pay \$50 per

if she would consult the can She then commenced to pay \$50 month for the privilege of ser food to me. Whenever she can see me she had to put up \$25, an the sake of sending me a bed charged \$25.

"A friend of mine named Schwwas just about coming to this cour and he volunteered to lay the many statements."

and he volunteered to lay the matter before secretary Bayard. A great deal of correspondence resulted, without any result for me. Schwartz returned to St. Petersburg, and a few months ago came back to this country. He then laid the matter before James G. Blaine, who immediately telegraphed to consul Wurtz that, as I was an American citizen, I must be released at once or that Wurtz must ask his passport and leave the country. passport and leave the country. "As soon as the telegram was laid before the czar he ordered the procurator of the prison to release me. The procurator came to the jail at 8 o'clock on the morning of January 24, 1890, and asked one of the guards to show me in. I was addressed as Mr. Kempinsky, treated very courteously and told I was liberated.

They cent a men with me to show

and told I was liberated.

They sent a man with me to show me the way to town. When I arrived there there was great rejoicing, and I thought I would be killed with the excitement. I am now going to try and recover the \$10,000 which it cost me while I was kept there. For that purpose I will pay a visit to secretary pose I will pay a visit to seen Blaine in person."
