WHICH THE REPUBLIC NEEDS. BUILDERS OF A COMMONWEALTH

Mr. Boyne was engaged in writing, and which was styled at first "Chroni-cles of the Kings." However, becoming dissatisfied with this unique title the name of the book was changed It is Feared That He Has Been into "Chronicles of the Builders of the Commonwealth." A circular was always sent out to the parties with Charleston, West Va., July 10.— Detective J. W. Napier, better known as "Kentucky Bill," has been missing money to exchange for fame, calling his or her attention to the prospective book, and the number who responded

> ations should not be deprived of the biographies of these builders of the commonwealth was set forth in a supplemental prospectus, in which it was stated that the publication was not to be restricted to a certain year. It was to be continuous, a sort of biographical perpetual motion, "new biographies being inserted as those entitled to a place shall come forward and take it," and thus the book was to live forever. This, the proprietor claimed, was "a feature never employed in any similar work, and gives to this western world a book of heraldy, a registry of

> true nobility, such as no aristocracy ever enjoyed." After this had been thrown before the builders of the commonwealth Boyne's work commenced. It was his duty to talk these men of prominence into the pages of the never-ending book of biography. Of course is was expensive, but the prospective buildwere told that monuments of marble would crumble into dust, but that the printed history would live forever. Boyne says that one of the principal stories with which agents

New York, July 10.—Private advices from Rio De Janeiro say that it is generally and openly stated there that the Rothchilds will not pay the loan made just before the fall of the monarchy. They allege that there is no government de jure; there is only a government de facto, and that in the restoration or any other change contracts may be repudiated.

Ruy Berbosa, secretary of the treasury, is in a bad fix. The new government has created new debts and raised the salary of everybody. The public employes of the army and navy and their own, which this country could not pay without the loan. The foreign interest has to be paid. Exchange is very high and financiers do not know what to do. gave force to this part of their argu-ment was that little narrative of the poet, Pinder, who, when requested by Pythias Algenia to write an ode on an hmian game at which the latter had been victor, named as his price one talent, about \$5,000 of American money. Pythias thought this rather high, and said that for that sum he could have his statue in bronze placed

in the temple. To this Pinder responded that his poem would outlive both statue and people. The poem was written and paid for and remains to this day, but the temples of

dozen weathyand celebrated men anxious lips.

When his weeping wife laid her hand upon his fevered brow, he looked up and smiled and called her "mother." The hand that held the medicine to his lips, that smoothed the pillow, was "mother's," and in all the faces that came and went about his bed he but hers, which had been the first baby eyes had known, and over wh the dews and snows of 20 years

lain.

He had forgotten her, oh, so many years. He had been too busy to yearn to lean his tired head upon that faithful, tender breast, and a thousand transient worldly things had clouded the image of that kind old mother, but as death's mighty hand set aside those perplexing fretting set aside those perplexing, fretting distractions, all so little now, clear and sweet to his parched soul came the memory of an innocent childhood so a mother's love, and all at once knew himself a weary, tumbled creature, sick and faint over earth's fevered, muddy draught, and he went back, like a little child, to her whose tenderness had never failed him, to drink once more of that pure, cl

"Your little boy is tired, mother The sun is very hot." His children broke into sobs as he spoke, but his fatherhood was a thing nknown to him now.

"May I wear the new boots to-day, other? Please! You said that I should. I'm not a girl, as the fellows said I was, any more, for you've cut my hateful curls. I'm most a man now, mother, and when I'm big I'll give you heaps and heaps of things; a red silk dress like cousin Mary's, and a hat with a feather lots longer than hers, most as long asmy own, maybe." "I'm sleepy and I want to go to bed. I've been a bad boy some to-day, ain't I? But I'll ask God to forgive me, and if you do, I guess he will, too. Hearmy prayers, mother. Pve learned them quite by a thernow."

They saw that the end was close at hand then, and his wife made a frantic appeal to him to recognize her, but his ears were fast dulling to all earthly sounds, and he only struggled to raise himself to his knees. They would have restrained him, but he said:

"Why, I can't go to sleep without saying my prayers. I've been a bad boy to-day, and God would be angry, mother."

They saw that the end was close at

Then they helped him up, and with

And which among us dare to say the lisping, childish prayer had not the power divine to wash away the dust and sin that are this sad old world's heritage.-Philadelphia Times.
