

Olds is getting his fourth trial in the Oregonian this time.

A paper recently started at Julian, Idaho, has for its motto, "Grasp for all in sight and rattle for more."

The river and harbor bill now under consideration in the senate appropriates \$25,000,000. The one that Cleveland vetoed appropriated \$22,000,000.

Eight street grades are advertised this morning. It will be a relief and a valuable piece of news to property owners if these grades now advertised are definite and permanent and not subject to change for the next few years.

ATTENTION is directed to the figures of our shipping and commerce, published elsewhere. They are official and correct. There is much that is not enrolled or taken cognizance of, which if enrolled, would swell the tonnage figures to nearly double the amount.

The San Francisco Call of the 7th has an interview with "a high official of the Southern Pacific Railroad company," who says: "Mr. Huntington has often expressed himself as opposed to accepting subsidies. That is not railroading, and is sure to entangle the company receiving the subsidy in endless controversy and difficulty. If the people contribute one dollar toward the construction of a road they think they own it, and are always interfering in its operation."

On the 21st inst., the annual meeting will be held in school district No. 1. Among other things, the project of establishing a high school will be discussed. There should be a full attendance to talk over this important matter. There is considerable strong opinion on both sides of the question. The Astorian has enumerated its views on this subject more than once. It tentatively uses of its columns, and any one having an opinion on the matter either way is invited to express it in THE ASTORIAN. It is only by discussing these things that affect the public welfare that an intelligent conclusion can be reached.

Epoch. The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, or long or short standing you will surely find relief by use of Electric Bitters. Sold at 50 c. and \$1 per bottle at J. W. Conn's Drug Store.

ADVICE TO MOTHERS. MRS. WINSLOW'S SOOTHING SYRUP should always be used for children's teething. It soothes the child, softens the gums, allays all pain, cures wind, colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle.
