ASTORIA, OREGON:

JULY 28, 1890 ARRESTING men for selling liquor to Indians is a profitable industry in Eastern Oregon at present.

THE latest discussion in Portland is regarding men giving up their seats to ladies in crowded street cars. Portland is neither worse nor better than other cities in this regard.

THE reported escaped of Fuller, the murderer of Archbishop Seghers was a fake pure and simple on the part of a Port Townsend reporter. Fuller is still an inmate of the penitentiary on McNeil's island.

THE decision in the land contest at Spokane Falls is against Oscar Bates, who claimed to have bought from an Astoria & South Coast Railwy Indian. Property worth millions was involved. This is a victory for the

THE greatest marvel in telegraphy Schedule No. 2, of Trains and Boats is said to be the synchronous multiplex, an instrument by means of which six messages can be transmitted upon one wire, either all from one station or opposite directions.

This little story is from a New Orleans journal: "Little Floribel Deitch, 7 years old, died at Morgan city and her pet pigeon flew into the room where the corpse lay surrounded by weeping relatives and friends. The deep grief of the mourners so impressed the bird that it dropped its head and died. It was placed in the coffin and buried the next day with its little mistress."

A KALAMAZOO census enumerator named Gage not only asked all the fool questions on the blanks, but also inquired the politics of every person census in a little book and now wants 

The federal census, now about compeople. The population of East Portland is set down at 9,789. This makes East Portland the second city in the state in population, and Astoria third.

THE recent visit of assistant postmaster-general Clarkson to this coast will be productive of good, judging from a telegram on the first puge, in which is recorded the result of his observations. The fact is, as he states, that the senators and congressmen and the departments at Washington have very imperfect and incorrect ideas with regard to the growth and Astoria to Seaside, and Return. progress of the mighty west, and its needs and demands. Could they come here and see for themselves, Music by the Finnish Hand! they would return home with broader ideas, and be enabled to legislate far

ting a corner on silver, pending the passage of the silver bill. The New S. ARNDT & FERCHEN York city Western National bank has alone stowed away in its vaults in the neighborhood of 7,000,000 ounces while The Pioneer Machine Shop upward of 2,000,000 ounces are in the hands of others in the city. The law BLACKSMITH goes into effect September 13th next. SHOP It will be impossible to tell with anything like accuracy what will be the market price for silver until that date arrives, and for one month thereafter. Boiler Shop It may have a still higher tendency, inasmuch as the government is compelled to buy 4,500,000 ounces a ENGINE, CANNERY month, and it may be several points lower than it is to-day. But, whatever is the market price, that the secretary of the treasury is bound to pay.

This is what you ought to have, in fact, you must have it, to fully enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you Good Digestion and oust the demon dyspepsia and instead Eupepsy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50c. and \$1.00 per bottle by J. W. Conn, Druggist.
