By an eccentric will lately probated in Dublin two heirs to a Scotch estate got their weight in £1 notes.

A school of journalism has been started in London by Misses Emily and Georgiana Hill, sisters. Hazing of junior students by the seniors has broken out at the great French military school at St, Cyr.

The recent report of the destruction of 9,000 acres of cotton and rice in the Gabieh province, Egypt, is officially declared to be untrue.

A gang of counterfeiters, who have been flooding Austria and Hungary with spurious florins and kreutzers, have been captured at Prague. The duke of Portland has interfered to prevent the abuse of road horses that are allowed over his private

A surgical operation has been per-formed upon Gen. Saussier, military governor of Paris, who was critically ill and reported, a few days ago, to be dying. The operation afforded imme-diate relief. At the Neuilly fair in Paris the la-

dies have, among many devices for fun and money, a swing boat in which a very good imitation of real mat de mer may be got up for the modest sum of one cent. It has now been practically decided that Vienna shall, in the course of next year, be enlarged by the demo-lition of the boundry walls which sep-

arate it, fiscally as well as materially, from the suburbs. Oxford is a little excited over a find of a monstrous metal knocker, the al-leged godfather to Brasenose College, having been discovered in Stamford fulfilling its proper office on a door. The original, antique, great and only brazen nose is said to have resembled the facial trumpet of Friar Bacon.

Snow-White Mocking Blrd.

Henry Ohubb, proprietor of the Vienna bakery, Burlington, Ia., has in his store a curiosity in the shape of a mocking bird that has changed its color from a dark gray to pure white. The bird was brought from Texas about a year ago. He has always been a vigorous fellow and is a re-markably fine singer. A little less than a month ago he began to shed his feathers and turned gradually from a very dark gray to a snow white. His bill, which was black, is now as white as marble. He seems vigorous, and hundreds throng there daily to see

THE CRY OF MILLIONSI

OH, MY BACK!

STOP IT NOW. SOON IT WILL BE TOO LATE. I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 1sta of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, where kind Providence sent Dr. Henley, with the ORHGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state.

in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been. I wills G. A. TUPPER, Proprietor Occidental Hotel, Santa Rosa, Cal.
